Lamar's Sheila Humphrey Recreational Center will provide an excellent indoor facility for the players to experience afternoon competitive games.

The 3v3 tournaments that take place every afternoon for the day camps will be held inside and played with a weighted Brazilian ball. The object is to maximize touches, make games technically demanding while adding the element of competition in the form of a mini tournament. The tournament format will be based on the # of players attending the camp, with age and ability being key factors in deciding the level to which each participant plays.
