Visiting Team Information

Facility:

Joe Aillet Stadium (30,600/field Turf) is located on the north campus of Louisiana Tech University

Locker Room:

The visiting team locker room is located on the southeast end of the stadium. The team will enter the southeast gate located next to the locker room.

Team Bus Parking:

Visiting team bus parking is located at the southeast corner of Joe Aillet Stadium.

Motor Escort:

A motor escort will be provided by the Louisiana State Police on game day from the hotel to Joe Aillet Stadium.

For more information, contact **Trooper Michael Linton at (318) 533-9808.**

Practice (Day prior to game):

The field will be available for visiting teams to practice the day prior to the game. LA Tech practices from 2:30pm to 5:00pm. Visiting teams can choose a time outside of this. Please indicate whether you will use the allotted practice time on the questionnaire provided in this packet.

For more information on field practice times, please contact **Clay Lewis at (318) 257-2399 or at lclweis@latech.edu.**

Band/Spirit Squad Information:

Visiting spirit squads will need a ticket unless using comp tickets and will enter in the north end zone gate. Spirit squads, please notify **Sam Speed (318) 257-3396.**

Visiting band must notify ticket office and event management if planning on attending game. Visiting band will be seated in section **K** on the east side of the stadium and will enter through the northeast side of stadium. **Ticket office contact: Chance Snow at (318) 257-3631 or Band Director: Jim Robken (318) 257-4233**

Student-Athlete Guest Admission/Will Call:

Visiting team student-athlete will call and visitor's entrance is located on the southwest side of the stadium.

Gates will open two (2) hours prior to kick-off.

Additional questions regarding tickets should be directed to **Chance Snow at (318) 257-3631 or at chance@latech.edu**.

Sideline:

Conference Games: visiting team sideline is located on the west side of the stadium (press box side)

Non-Conference Games: visiting team sideline is located on the east side of the stadium (student side)

Video:

Camera positions are available for team video in two (2) locations: 1) High end zone location on the top of the northeast side of the north scoreboard and 2) High sideline location on the second floor of the press box, far left side of the opening.

Questions regarding team video should be directed to **David Snyder at (318) 436-8244 or at dsnyder@latech.edu**.

Pre-Game Warm-up Area:

The field will be available for warm-ups two (2) hours prior to kick-off. The visiting team will have the north end of the field. **(See layout maps on pages 6-7)**

Teams must clear the field at the twenty (20) minute mark on the game clock (pre-game).

Credentials:

Credentials will be provided to the visiting team:

- 10 (ten) AD's Booth passes
- 60 (sixty) bench passes (coach's booth passes come out of bench passes) ®
- No all-access passes unless requested

Additional Credentials:

Requests for additional credentials for staff or media members, contact **Malcolm Butler at (318) 257-3145 or at mbutler@latech.edu OR Patrick Walsh at (318) 257-5305 or at pwalsh@latech.edu**.

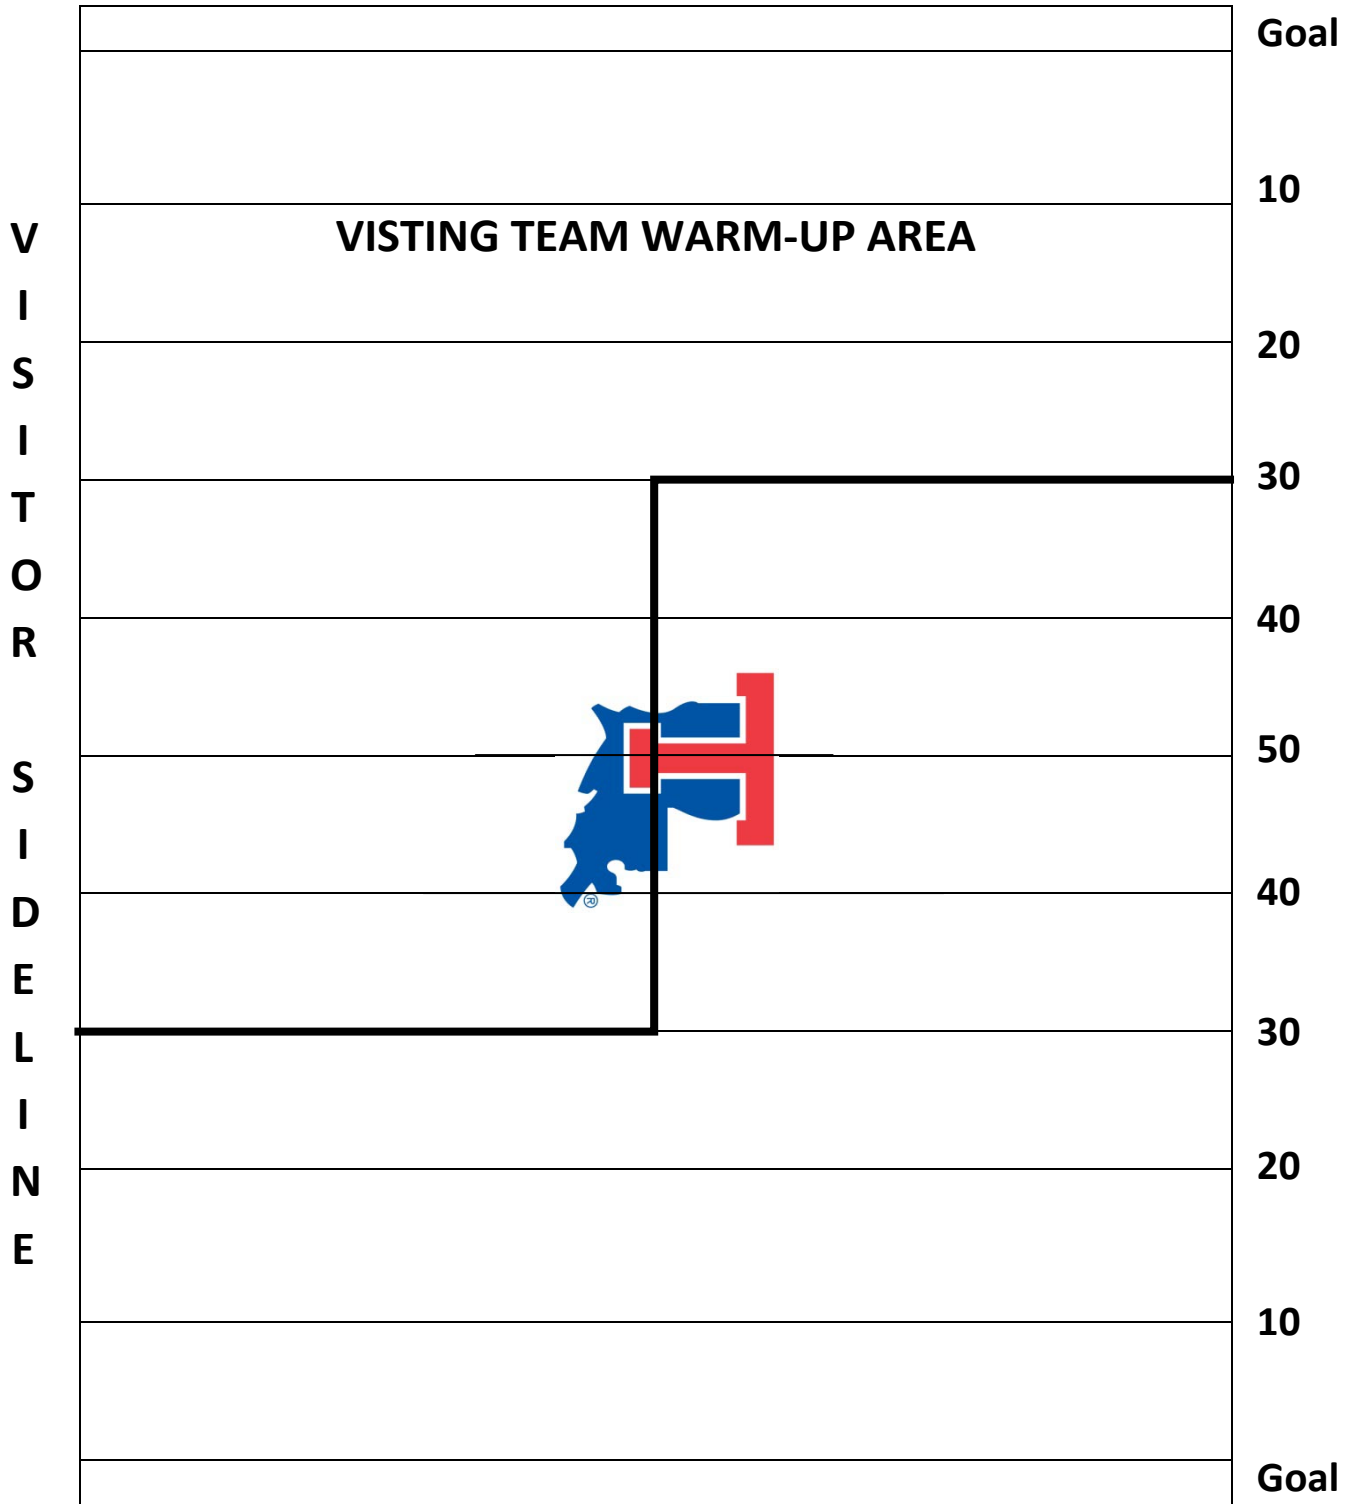

Travel Information:

Please complete the enclosed forms in their entirety and return at least two (2) weeks prior to the game.

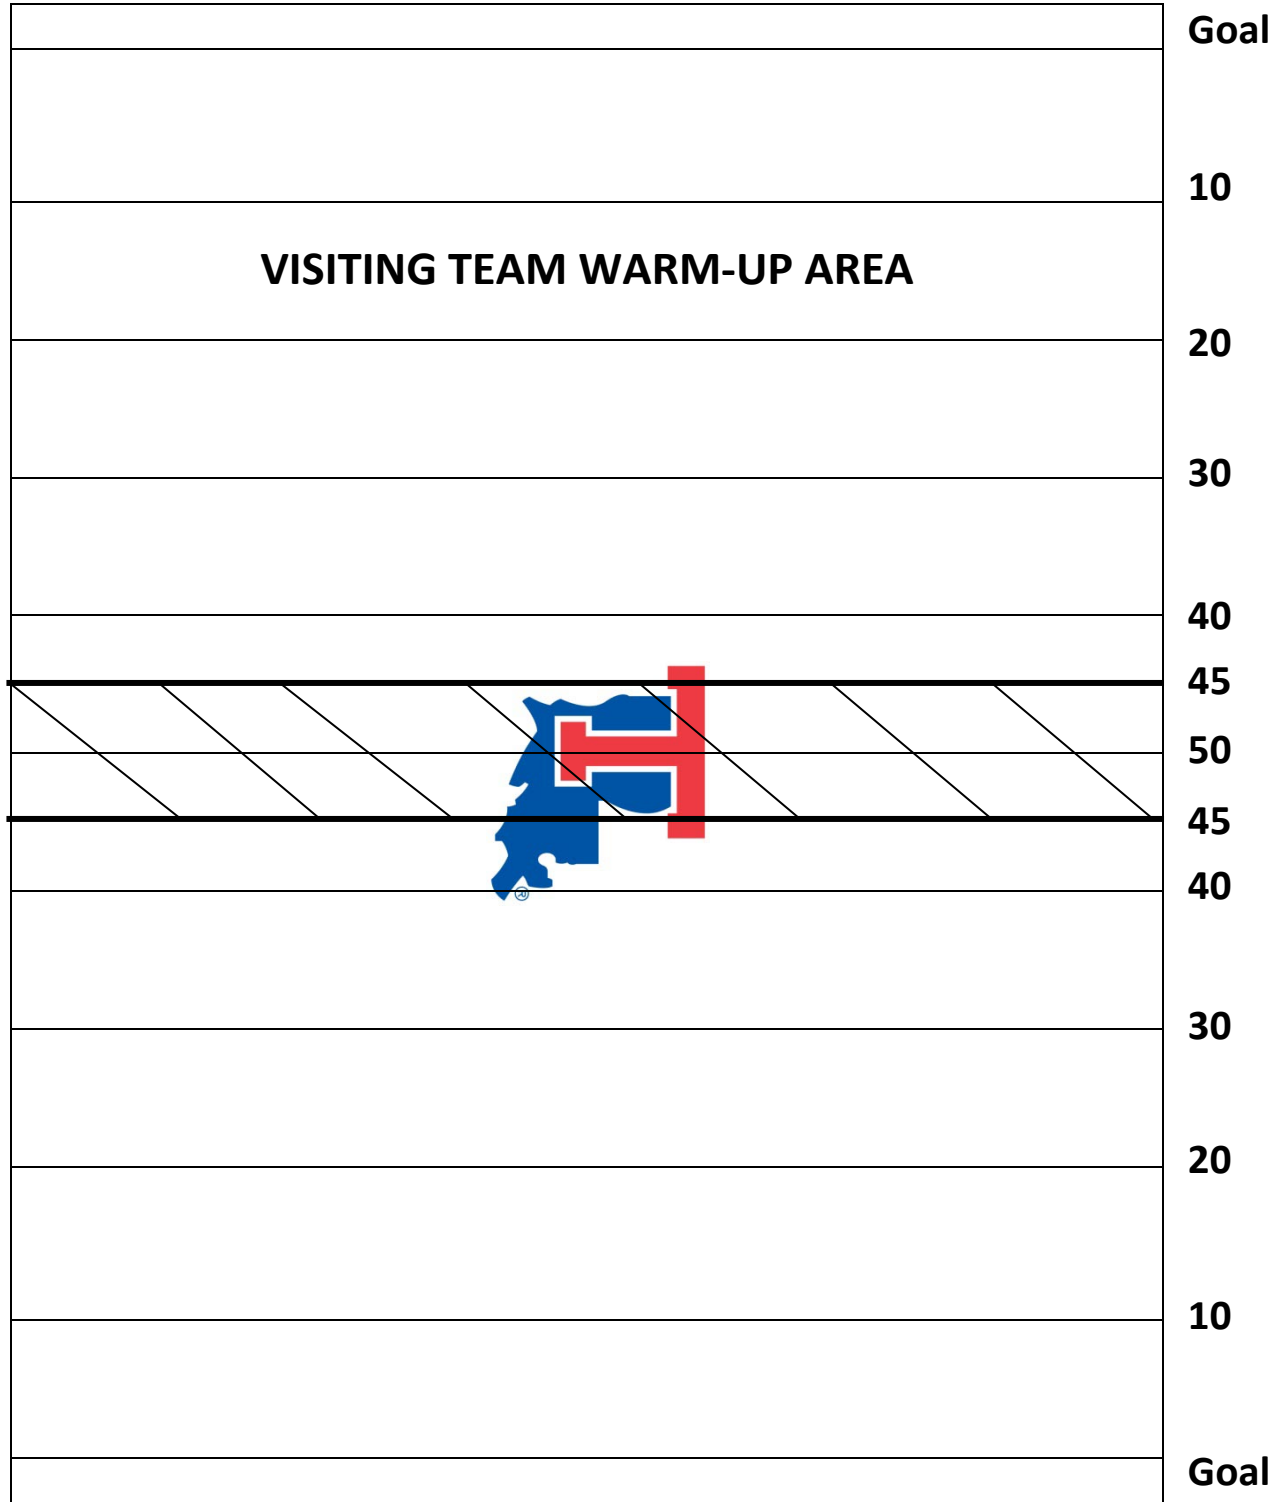

All forms should be submitted to Tommy Sisemore at:

Mail: P.O. Box 3046, Ruston, LA 71272 **Fax:** (318) 257-2981 **Questions:** Tommy Sisemore, 318-257-5323, Sisemore@latech.edu

LOUISIANA TECH UNIVERSITY SPORTS MEDICINE DEPARTMENT Policy Statement On Lightning & Severe Weather

CHAIN OF COMMAND

The responsibility for terminating an athletic activity in the event of lightning, severe weather, and/or storms lies with the Louisiana Tech University ("LA Tech") certified athletic trainer (practices) or the LA Tech Game Administrator (games).

- A LA Tech certified athletic trainer will communicate with the LA Tech Game Administrator, the head coach and/or his/her designee, and game official(s) / umpire(s) of the potential for a lightning strike, severe weather, and/or storm, and will make the recommendation that all activities stop immediately.
- If the head coach is not present, an assistant coach will assume responsibility.
- If a coach and/or game official(s) / umpire(s) make the decision to continue to practice and/or continue with a game or other activity despite a National Weather Service Severe Weather Warning, the cancellation of classes, and/or the verbal instruction by a LA Tech certified athletic trainer or LA Tech Game Administrator, they will be doing so against the recommendations of the LA Tech Athletics Department, and will be personally liable for any and all injuries.

MEANS OF MONITORING WEATHER

Members of the LA Tech Athletics Department will use the following methods:

1. WeatherSentry Online – Turf Edition (Pro)

This service provides weather alerts for lightning, snow, ice, severe weather, precipitation timing and is capable of notifying users through SMS text messaging. Lightning strikes which occur within a 20 mile radius of the Charles Wyly Athletic Center (Football Fieldhouse) will result in a "Lightning Advisory" text message being sent to the cell phone(s) of authorized personnel. Lightning strikes which occur within a 10 mile radius of the Charles Wyly Athletic Center (Football Fieldhouse) will result in a "Lightning Warning" text message being sent to the cell phone(s) of authorized personnel. WeatherSentry gives the user the capability to monitor specific locations, which are set by authorized personnel using integrated GPS technology. This system allows authorized personnel the capability to monitor weather through the use of wireless devices and/or computer(s).

The policy of the LA Tech Athletics Department will be as follows:

- a) A LA Tech certified athletic trainer will inform the visiting team's athletic trainer and/or coach and game official(s) / umpire(s) of LA Tech's policy with regards to lightning, severe weather, and/or storms during pre-game warm-ups.
- b) A LA Tech certified athletic trainer will watch for lightning and listen for thunder, and will be responsible for keeping track of the "flash / bang" count.
- c) A LA Tech certified athletic trainer will also monitor the WeatherSentry System, local weather radar and media outlets for severe thunderstorm, tornado, hurricane, and/or other severe weather watches / warnings.

d) When the “flash/bang” count reaches 40 seconds, and/or when a LA Tech certified athletic trainer receives a SMS text “Lightning Advisory” indicating lightning has occurred within the 10-20 mile radius, and/or a severe weather watch has been issued, a LA Tech certified athletic trainer will notify the following persons:

- The game official / umpire (at a break in the action);
- The LA Tech head coach and/or his/her designee;
- The visiting team’s athletic trainer and/or coach (if applicable); and
- LA Tech game administrator / operations staff (if applicable).

e) When the “flash/bang” count reaches 30 seconds or less, and/or when a LA Tech certified athletic trainer receives a SMS text “Lightning Warning” indicating that lightning has occurred within a 10 mile radius, and/or a severe weather warning has been issued, a LA Tech certified athletic trainer will notify the following persons:

- The game official(s) / umpire(s);
- The LA Tech head coach and/or his/her designee;
- The visiting team’s athletic trainer and/or coach (if applicable); and
- LA Tech game administrator / operations staff (if applicable).

At this point, all game / practice activities are to cease IMMEDIATELY, and ALL personnel are to evacuate to a safe structure or location.

CRITERIA FOR SAFE RETURN TO THE PRACTICE/GAME AREA

a) Personnel should not return to the practice/game area until thirty (30) minutes have passed since the “flash/bang” count is greater than 30, the last lightning flash or the last sound of thunder and/or a LA Tech certified athletic trainer has received a SMS “Lightning Warning Area All Clear” text message indicating that lightning has not occurred within a 10 mile radius within the last 30 minutes.

b) Each time the “flash/bang” count goes below 30, lightning is observed and/or thunder is heard, the “30-minute clock” is to be reset.

c) Blue skies in the local area and/or a lack of rainfall are not adequate reasons to breach the 30-minute return-to-play rule. Lightning can strike up to ten (10) miles away from the rainshaft of a storm.
