

The Softball Summer Slam Camp is taught by the Louisiana Tech Coaching Staff as well as current and former members of the Tech softball team. Campers will have the opportunity to receive hands-on training in hitting, pitching, fielding, throwing, sliding and baserunning. Discussions on strength and conditioning, as well as college options will be offered. If you are serious about softball and want to become a better ball player, sign up for the Softball Summer Slam and join us this summer.
