**2008 49er Athletic Club Membership Application**

The 49er Athletic Club, through the generosity of its members, supports Long Beach State’s commitment to excellence in academic and athletic endeavors. Charitable donations to the 49er Athletic Club support the 49er’s 18 varsity intercollegiate programs by providing scholarship and operational support to more than 300 student-athletes. As our costs continue to increase for our student-athletes, please consider giving extra for excellence by making a first time gift to the scholarship fund or by increasing your scholarship fund gift.

To continue your support of the student-athletes, please follow the step by step instructions below on how to fill out your 2008 membership application, indicating your pledge and how you would like to make your contribution. The membership application allows you to determine your total scholarship seating level, based on the number of season tickets you have in the 49er Athletic Club sections for men’s basketball and women’s volleyball, make a scholarship gift and/or support your favorite team by making a restricted gift.

Thank you for your support of the 49er Athletic Club and its commitment to Long Beach State Athletics.
