

A Peek Into 1963-64 . . .

The Cardinals will have unaccustomed depth this season at forward and center and will enjoy three good guards on the squad, thanks to a transfer student and a former all-stater that had to stay out of school last season. A trio of outstanding Frosh players come up to help . . . the first three Negro players ever to represent the Cardinals.

Both starting forwards return. John Reuther, 6-7 stringbean from Chicago, broke a scoring record for Card Sophs last season when he averaged 16.2 points per game. Ron Hawley, 6-4 Senior from Dayton, O., was just behind with a 13.7 average and was named MVP. The starting center, Judd Rothman, also returns. The 6-8, 241-pound Junior has a year of needed experience under his belt and should be tough this winter.

Both starting guards graduated, but the club's sixth man, 6-1 Ron Rooks, is back and will get help at that position from Tommy Finnegan, a 6-3 Notre Dame transfer, and Bobby Doutaz, a 6-1 former Kentucky All State player from Louisville who sparked the Frosh team two years ago but had to lay out because of illness in his family.

Lettermen returning include two 6-8 boys who play center or forward. They are Bill Akridge and Joe Reuther. Dennis Clifford, a 6-5 Junior and Andy White, a 6-4 Senior are back at the forwards and Eddie Creamer, 6-2 Junior and Dave Hall, 6-1 Senior are returning at guard.

New faces will include Wade Houston, 6-5 Soph who average 18.8 for the Frosh; Sam Smith, 6-6 Soph who tallied at a 14.9 clip and Eddie Whitehead, 6-4 who averaged 13.1. All are serious threats and will help the club tremendously. Tony Herold, a 6-0 guard and Ron Gering, 6-5 Forward also move up to the varsity.

With a schedule that features 16 of 24 games at home, the Cardinals are expected to return to their lofty position among the nation's elite teams. The depth in forecourt positions and the talent of new guards should offset a lack of scoring power at center.
