Additional Information:

Season ticket holders should use the points per section information (listed above) as a guide in trying to estimate what sections they would be eligible to select seats in based on their priority point totals as of April 30, 2007. Calculations were based on season ticket holder seats for the 2006-07 season with their priority points as of April 30, 2007. The numbers above **DO NOT** guarantee the right to select seats in any particular section as all season ticket holders will select their seats based on their priority point ranking. The only seats that are exempt from reseating process are in the preferred seating section. For more information, please contact the Blue & Gold Fund at 414-288-3988.
