Coaches Win The Battle, Campers Claim The War

"championship friday" on the horizon

by: Gold N. Eagle, camp reporter

MILWAUKEE -- The coaches managed to claim Thursday's Golden Eagle Challenge, but the campers emerged with an overall 3-2 victory on the week for the Session III Day Camp.

Former MU player Mike Kinsella organized the often imitated, but rarely duplicated, flying "v" attack in a game of dribble tag to secure Thursday's victory. The high-risk maneuver eliminated the final five campers and proved to be the key factor in the win.

Wednesday's "dance off" was the deciding contest in the best-of-five series. Zera Williams' seemingly choreographed routine put to shame the effort of Michael Jackson diehard Robert Frozena, who appeared to lack the stamina needed to complete the grueling 18-second time limit.

Campers across Southeastern Wisconsin will be hitting the hay early Thursday night in preparation for "Championship Friday." Tournament action gives every team in the camp a chance at a title and several individual accolades will be handed out as well.

USA, Memphis and Seton Hall have all earned the No. 1 entering tournament play. The Tigers (10-0) are the only undefeated squad remaining.

Thursday's award winners included free throw champions **KENNY PIACSEK** (Argentina) and **CONNOR HIPKE** (Kansas). **JOSH TERRIAN** (Senegal), **JACKSON KATZ** (Davidson) and **WILLIE MITCHELL** (UConn) were tabbed campers of the day for their respective divisions.

CAMP PHOTOS: Photos from each day of camp are available through the official website, GoMarquette.com. Just visit the men's basketball page and click on the link "Session III Daily Buzz." There are a large assortment of photo printing options, including 12 sizes to choose from with four different types of finishes. *The password protected gallery (musummer09) is available to camp parents only.* Photos of individuals will be available at the conclusion of each day, as will the camp's group photo. Over 10 different print size as well as specialized mugs, aprons, magnets and more.
