Marquette 'Elite 2' Camp

Join us for three days of training 'Marquette Style'. The MU staff will share with you what has kept our soccer program among the nation's elite over the past 12 years. Both 'Elite' camps have the same format and participants receive maximum attention due to the size of the camps. In this camp environment, we will make you laugh, teach you, raise your competitive level and provide lessons for life. Experience the Marquette campus and play on our fabulous grass game field and 'state of the art' turf practice field.

If you love soccer, this camp is for YOU!

Space is still available in both camps!
