On September 1, 2007, the BIG EAST Conference launched its state-of-the-art Web site, which is now managed by NeuLion/JumpTV Sports. The site retained the conference's familiar web address – www.bigeast.org – and continues to be an excellent source for the latest news and stories on happenings around the BIG EAST, including the 16 men's soccer schools. This site is also a reliable source for new extensive video coverage on BIGEAST.tv, the online home for live and on-demand streaming video, including live games and highlights from select BIG EAST men's soccer games. Up-to-the-minute standings, along with team-by-team and composite results are also updated at the conclusion of each game. National polls, weekly award winners and team notebooks are updated each week. The Media Guide, along with an in-depth Records & History Section, is located on each sport's page. Logos for every BIG EAST team and the conference marks can also be accessed. (Credit "The BIG EAST Conference" with each photo use).

The BIG EAST Web site will continue to be the exclusive home for men's soccer "Championship Central," which is a one-stop shop for conference tournament live stats, blogs, results, box scores, recaps, photo galleries, video highlights and more.
