Special Note to Campers from Coach Rolf

I am excited about being part of Milwaukee and Marquette Athletics. With summer just around the corner, all of our student athletes and coaches are looking forward to working with you on developing your skills while having a lot of fun. Marquette has wonderful facilities to host our camps with plenty of gym space, great food and housing. We will be having a low camper to coaches ratio which all the kids will love. In our FUNdamental Camp, we will have plenty of prizes and hands on volleyball games. It will be an exciting weekend you won't want to miss. For our older Eagle Camp, there will be individual instruction and a variety of scoring formats for games to keep the weekend fun and energized, while learning valuable skills for the future. I invite you to join us and Soar with the Eagles here at Marquette Volleyball.
