## Marshall University 2011 Men's Soccer Shutout Club

## Our Vision

Thank you for your support of the Marshall University Men's Soccer Program. We are excited for 2011 and the fans should be too. We look forward to representing the program and the university in a positive manner.

Our student-athletes make a concerted effort to excel in the classroom, the community, and on the soccer field. Last season we played to a record of 9-5-4, and in 2009 we were second in C-USA with a record of 10-7-2. We also placed 11 members of our team on the Conference USA Commissioner's Honor Roll last year.

As we look ahead to the future, your generosity can help further our program as we continue to build a yearly contender on both the C-USA and national levels. We urge you to support our team by wearing our gear. Available to purchase is a t-shirt, a polo, a hoodie, and crewneck sweatshirt and a fleece.

With a trip to Spain and Portugal in the works for 2012, it will help our players gain knowledge of the international game and allow them to have a once-in-a-lifetime experience. Members of the Shutout Club can help aid in their experience with any contribution. Every little bit helps!

To learn more about the Herd men's soccer program and the Shutout Club, contact assistant coach Thomas Olivier at 304.696.2434 or email him at [olivier@marshall.edu](mailto:olivier@marshall.edu).

I thank you for supporting our program. Go Herd!

Sincerely,

Bob Gray

FC Barcelona vs. Real Madrid

Traveling to Spain and Portugal in 2012 will give the players and staff of the Marshall University men's soccer team a chance to play against and watch some of the best players in the world. It also allows the team to observe the values and traditions of another country.

In the spring of 2008 the Herd traveled to Argentina, where they played against local teams and observed two of the top professional teams in Argentina: Boca Juniors and River Plate.

The trip was a wonderful bonding experience for the players and coaches, and it helped everyone gain a perspective of the soccer
