ABOUT THE CAMP DIRECTOR

Marshall University Head Coach Mitch Jacobs and his staff will teach and direct all the Marshall University camps. Coach Jacobs brings 26 years of camp direction to the Thundering Herd Camps. Camps will run under the philosophy that all campers have the opportunity to improve their skills through strong fundamental teaching as well as advanced technique training.

In his fourteen years at Marshall, the two-time Conference USA Coach of the Year has changed the perception of the volleyball program at Marshall. Prior to Coach Jacobs' arrival in 2002, the team was coming off a two year combined record of 11—46. In the seasons to follow, the Thundering Herd compiled six straight 20+ win seasons and seven in his eight seasons at the school. Competed for two straight MAC Tournament Championships, captured the 2007 regular season and both the C-USA Regular season and Tournament Championships in 2005. Marshall competed in the NCAA tournament in 2005 for only the second time in the Volleyball Programs History.

Prior to coming to Marshall, Coach Jacobs had led Fairfield University to 3 straight MAAC Championships and 3 straight NCAA tournament appearances, and holds the Schools highest career winning percentage (.757). Before Fairfield, Coach Jacobs was Head Coach at Florida Tech (6 seasons), where he holds the all-time wins mark in that program's history.

Coach Jacobs has also taken great pride in working within the youth volleyball community at each of his stops. Coach has worked within the USAV youth programs over his 26 years of Coaching. In the Huntington area, Coach Jacobs and the Marshall program have been the force behind a 600% increase in USAV participation over the past twelve years. The River Cities Juniors have increased from 18 members in 2003 to over 150 members in 2013.

POSITIONAL CAMPS

JULY 17—18

SPECIALTY SECTIONS: Ages 10—18.

SETTER: This camp will be devoted to all aspects of the setters position. From the intermediate to the advanced player. All campers will be put into groups to their experience and trained accordingly.

ATTACKER: This camp is just that! All areas of attacking will be covered. From footwork and arm swing to transition and shot making. Advance your ability to get the ball to the floor.

LIBERO: This camp will give the Libero/DS or any player looking to focus on their ball control and defensive skills. Great camp to couple with the attackers camp.

SETTER / HITTER CAMP: This Camp will give a setter/hitter the ability to work two sessions in setting and two sessions in attacking. Also recommended would be to do two days of the setter's camp and two days of the attackers camp.

LIBERO / HITTER CAMP: Like the Setter/Hitter camp we realize there are players that need to focus on both areas of the game. So this section will split time between Ball control / Defense and Attacking.

HIGH POTENTIAL / ELITE CAMP SECTION

ELITE CAMP SECTION: AGES 14—18
