MISSION STATEMENT

The mission of the Department of Athletics at the University of Massachusetts Boston is to encourage every student-athlete to be a champion. To foster an environment where academic integrity, social responsibility and respect for others, and competitive athletics excellence are highly valued. To discover and nurture the “total person” who enriches the world and brings honor to UMB, now and throughout life.

Consistent with the mission of the University and the Department, as well as the goals and policies of the University Athletics Committee, the Department of Athletics is committed to nurturing human potential. Also consistent with the goals of the University, the Department of Athletics is committed to the goals of diversity and fairness in its student-athlete population and programs. The academic/athletics experience at the University provides student-athletes with creative, communicative and critical reasoning skills—a solid foundation from which to build a successful future.

In addition, the Department of Athletics continues to emphasize to student-athletes, coaches, administrators and the people of Massachusetts its unyielding commitment to honesty and integrity.

The 24th Annual GOLF TOURNAMENT

Monday
May 24, 2010
1:30PM

Rain or Shine

Granite Links Golf Club
Quincy, MA

www.beaconsathletics.com

IT'S TIME TO ONCE AGAIN TEE IT UP WITH THE BEACONS.

The Annual Golf tournament is the Department of Athletics major annual fundraising event, and helps ensure our efforts to support our student-athletes and the youth from area neighborhoods and communities.

Intercollegiate athletics, intramurals/recreation for students, staff and faculty are the primary concerns of the Department of Athletics. UMass Boston teams compete in the ECAC, the Little East Conference and the ECAC East for ice hockey. Twenty-one Beacons in seven sports have achieved All-America status a total of ninety-four times.

The Department of Athletics also has the responsibility of providing service to the community. Whether it is complimentary use of the Clark Athletic Center's indoor and outdoor facilities, coaches' and student athletes' sport clinics for youth groups, or holiday visits to area hospitals, UMass Boston Athletics is in the forefront of serving communities around the state.

You can help the Department continue these efforts by participating in the 2010 Golf tournament. Thank you in advance for your consideration and support.
