Camp Program

On Ice

Two 75 minute sessions per day totaling 2 ½ hours on ice each day. A large portion of both sessions is devoted to improving each camper's skating forward, backward, lateral mobility, quickness, and balance. At our stations, we will focus on stick handling, passing, shooting, checking (where appropriate), and team play. We will play a variety of small games designed to improve each camper's hockey sense.

With four or more instructors on the ice at all times, campers receive plenty of individual attention. We will do our very best to teach your child the skills necessary to be the best hockey player he or she can be.

Off Ice

During this time, we will introduce the campers to some basic conditioning and stretching exercise, stick handling and shooting. Will we also have fun playing a variety of games including, ultimate Frisbee, street hockey, and our bubble hockey game. One day is reserved for video analysis of the moving skating session and/or our River Hawk team.

Blaise MacDonald's Hockey School offers your child the opportunity to prepare for the upcoming season with some of Hockey East's finest coaches and players.

UMASS Lowell Head Coach, Blaise MacDonald, along with Assistant Coaches, Shawn McEachern & Jerry Forton direct the Blaise MacDonald Hockey School. A member of the coaching staff leads all on ice instruction.

Current members of the UMASS Lowell hockey team will serve as on ice assistants and off ice counselors.

Two weeks of instruction will be offered. July 26th – 30th and August 2nd – 6th, 2010
