**Dear Football Fan:**

Maryland Football has enjoyed a long and illustrious history. In recent years, we've attended three bowl games and produced a number of NFL players, including the 2005 NFL Defensive Rookie of the Year Shawne Merriman. Vernon Davis is poised to join the NFL ranks this year, adding to the Maryland legacy. With all this in mind, I would like to personally invite you to become a Maryland Football season ticket holder. Your support would be instrumental to our future success. I take that kind of support very seriously and I will continue to work as hard as I can to make you proud of our Football team.

Our Spring workouts began in earnest on April 1 and I can tell you this: I am excited about the 2006 season. We are still a young team but have 16 starters returning and some talented newcomers. In addition, we have players who would have been contributors last year coming back from injuries that had them miss last season. A good spring practice behind us and an exciting ACC schedule ahead, I look forward to seeing what this team can do.

And if you know anything about my coaching style, you understand how important offensive and defensive line play is to me. This year, we will be returning every starter from the defensive line and all but one on the offensive line. That alone is reason to look forward to a successful year on the field.

Our seven-game home schedule features battles against two perennial national powers, Florida State and Miami, as well as ACC contests against North Carolina State (Homecoming) and Wake Forest. In all, we will be playing seven teams that played in Bowl games last year. That's a tough schedule, but I have no doubt that our players and our coaching staff are up to the challenge.

I personally invite you to purchase your season tickets now — and to continue your support of Maryland Football. Please visit [www.umterps.com/2006Football](http://www.umterps.com/2006Football) today to get in on the action. Log on today to purchase your tickets online, view a video message from me, read the latest headlines about the team and enter to win an all-expense-paid road trip to the West Virginia game.

I hope to see you in College Park in September. **FEAR THE TURTLE!**
