

## BASKETBALL SEAT SELECTION FORM 2009-10 MEN'S BASKETBALL SEASON

As you know the Tiger Scholarship Fund (TSF) office has revamped our priority seating for men's basketball. Due to the change we expect to have some inventory open for our seat selection to be held in late June 2009. If you would like to change your season ticket location or buy additional season tickets (maximum number of tickets per account is six), the TSF will once again conduct a basketball seat selection in June of 2009 at FedExForum. **THIS IS NOT A RESEATING.** The TSF encourages all donors and prospective donors to sign up for seat selection; after this year we anticipate it to be significantly more difficult to move your seats. An exact date and time will be sent to you at a later date and time. Please note that your selection time will be based on your rank. Your rank within the TSF will be heavily based on your lifetime giving.

If you desire to participate in the seat selection you must return this form by **May 1<sup>st</sup>**. You will then be given a specific time to come to FedExForum to select seats. **(Please note: forms received after May 1<sup>st</sup> 2009 will not receive priority: You will be notified of your selection time through email so make sure your email address is correct, see below)**

Please complete and return this form to the Tiger Scholarship Fund office by **May 1<sup>st</sup>**, if you wish to participate. You can fax your request to 678-5038.

By filling out this form and returning it to the TSF office By May 1<sup>st</sup> I acknowledge I would like an appointment time to view open seats for the upcoming season of Tiger basketball, for either of the following reasons. If you wish to keep the same seats you had in 2008 you do not need to attend.

- Purchase season tickets as a new patron (I did not have tickets in my own name last year)
- Move my existing season tickets if better seats are available
