

A black and white photograph showing two men on a boat. The man on the left, John Calipari, is wearing a dark suit, a white shirt, and a striped tie. He is smiling and looking towards the man on the right. The man on the right is wearing a dark suit and glasses, and is holding a microphone with a CBS logo. They are both holding onto ropes that are part of a net or rigging. The background is slightly blurred, showing what appears to be the interior of a boat or a similar structure.

Admittance to courtside is by press pass only. When the clock is moving, all photographers must be off the court and seated on the blue outlined area behind the dotted line on either end of the court. No photographers will be allowed along the sidelines of the court.

Telephones

Those media wishing to install telephone lines are asked to contact Lamar Chance in the Media Relations Office at 901-678-2349, and he will put you in touch with a FedExForum representative.

A limited number of telephone lines are available for filing in the media room on a first-come, first-serve basis.

Telephone lines for visiting radio networks have been installed by Learfield Sports, distributor of the Tiger Basketball Network. Reciprocating trade agreements for these lines can be made by contacting Learfield at 573-556-1268.

Postgame

Both the Memphis and visiting locker rooms are located on the east side of FedExForum just off the playing floor. The media interview room is located in the same area.

Approximately 10 minutes following the conclusion of every home game, Memphis head coach John Calipari will field questions, and the locker room will be open to the media. The visiting media relations director will determine location and availability of the school's head coach and student-athletes.

Calipari also will hold his postgame radio show after meeting with the media.

No live television interviews, except with networks televising the game live, will be allowed before Calipari and the Tiger student-athletes have fulfilled their usual postgame responsibilities.

For road contests, Calipari and student-athletes will be available following a cooling-off period. Calipari will meet with the media after the cooling-off period, and players will be made available upon request in cooperation and coordination with the host institution's post-game policies.
