

HOME OF THE TIGERS FRANK L. FLAUTT GOLF CENTER

On September 3, 2009, ribbon cutting ceremonies took place for the newly opened \$1.5 million Frank L. Flautt Golf Center, located next to the Tiger Softball Complex on the University of Memphis' Park Avenue campus.

The facility provides both the Tiger and Lady Tiger golf teams with state-of-the-art facilities. The center includes a 400-yard driving range, complete with two teeing areas, two putting greens, and a chipping green. Inside, both teams have locker rooms with individual player lockers as well as study, kitchen and lounge areas. Both teams also have indoor hitting bays to be used during inclement weather.

ONE OF THE NATION'S BEST "This has been a vision of mine since I got here six years ago. I never thought we would have anything this great. It is by far the best in the country." - Men's Head Coach Grant Robbins

VIDEO ROOM

Memphis golfers have access to a cutting-edge video room where they can analyze their swings from multiple angles.

THE FLAUTT CENTER The new golf center contains a 7,200 square foot indoor practice facility for the Memphis golf teams, as well as approximately five acres of outdoor driving ranges and practice greens.
