GLENN HAYS

Head Coach
Rhodes College, 1962

University of Memphis Head Coach Glenn Hays is well-known throughout the Mid-South and the national track community for producing top-of-the-line track and field teams.

Hays, now entering his 33rd season with the Tigers, has recruited and coached numerous Metro, Great Midwest and Conference USA champions, along with 26 NCAA participants in 57 different events.

Focusing his efforts mainly on running competitions, Hays has produced seven All-Americans, six national champions and one national record holder.

Hays established Memphis' reputation early in his career. After coming to Memphis in 1970, Hays coached his team to national championships in two events just three seasons later. Tiger runners took the national title in both the 440 yard relay (39.6) and the 100 yard dash (Ed Hammond, 9.4). In 1976, his cross country team captured the Metro title while pushing David Topham to the individual championship.

Under Hays' tutelage, Terron Wright, the 1981 60-meter high hurdle national champion, set a world record time for the 300 yard dash. In the same year, Nick Brooks captured the NCAA indoor 880 yard dash runner-up trophy.

Just two seasons later, Hays' Memphis program produced the first mile runner in school history to break the four-minute barrier. Colin Hume ran the mile in 3:58.59 in 1983.

Since joining Conference USA in the 1995-96 season, the Tigers have not missed a beat. Hays coached 15 individual athletes and seven relay teams to conference titles, four all conference cross country runners, as well as numerous Athlete of the Week recipients. Junior Delvit Rogers became the latest Tiger athlete to accomplish significant marks when he qualified for the NCAA Championships and the U.S. Olympic Trials in the long jump during the outdoor season in 2000. Rogers shattered the school record in the long jump while at a meet in Louisiana.

For the fourth year in a row, Memphis produced a conference Newcomer of the Year in 1996. Tiger decathlete Kevin O'Connell added the freshman of the year honor to his resume by finishing 13 points shy of the decathlon title at the inaugural C-USA outdoor championship meet. Former Tigers Lambros Iacovou and Kevin Robinson set school and conference records, and won their respective championships while claiming Newcomer of the Year honors as freshmen.

Robinson also was tabbed Most Outstanding Performer at the inaugural C-USA indoor meet for throwing NCAA provisional qualifying marks in both the shot put and 35 lb. weight.

Hays graduated from the former Southwestern College, now Rhodes College, in 1962 and began coaching cross country at Battle Ground Academy in Franklin, Tenn. Three years later, Hays accepted the head coaching job at Valparaiso, where his team finished among the

NCAA's top-10 three times in just five seasons.

He moved on to Virginia Tech in 1969 before coming to the Tigers in 1970. Hays finished his Master's degree in physical education at Memphis in 1967.

Lately, Hays has excelled off the track as well, owning and operating the city's finest French restaurant, La Tourrelle, located midtown Memphis.

Hays and his wife, Martha, have two daughters, Vanessa, 25, and Sara Ruth, 21.

BRENDA CALHOUN-CASH

Head Coach
Arizona State, B.A. 1981
Univ. of Iowa, M.A., 1985

When the University of Memphis reinstated its women's track and field program in 1985 after a three-year hiatus, no better head coaching candidate could have surfaced than Brenda Calhoun-Cash.

Cash, a native of Hamden, Conn., was hired on Aug. 12, 1985, as the youngest head coach in U of M history, and has faced many challenges in rebuilding the Lady Tiger program. Previously, Cash served as a graduate assistant track coach for the University of Iowa's nationally-ranked women's team while earning her Master's degree in physical education.

The team experienced a resurgence in the 1996 season. Cash's Lady Tigers set school records in 10 events in 1996 and had its first two NCAA provisional qualifiers in six years. Despite lack of depth at the distance events, the team placed third in the inaugural C-USA championship meet.

New school records were set in the indoor 5,000m, distance medley relay, long jump, shot put and 20 lb. weight throw. Outdoors, the team set records in the 10,000 meter run, long jump, shot put, discus and hammer. The trend of improvement and teamwork can be traced back to the 1994-1995 season, when the team set records in six events while capturing conference championships in two events.

Her 1992 team won the Great Midwest Conference Outdoor Championship, earning her GMC Coach of the Year. In 1993, her squad placed second in the GMC championships and, in 1991, placed second at the Metro Outdoor Championship, earning Cash her first coach of the year title.

THE CASH FILE

At Memphis:

- Named Metro Conference Coach of the Year in 1991
- Great Midwest Conference Coach of the Year in 1992
- Coached her teams to a 1992 Great Midwest Conference Championship, a GMC runner-up finish in 1993 and a Metro Conference runner-up finish in 1991

At Arizona State:

- Earned All-America honors all four years at Arizona State
- Set school records in the 100m dash and 100m hurdles, and participated on a national record setting 4x100m relay team
- Ranked among the top 12 nationally in both the 100m dash and 100m hurdles.

In High School:

- Set Connecticut state records in the 100 yard, 200 yard and 80-yard hurdles
- Advanced to the finals of the AAU junior and senior

Cash is no stranger to success on the track. She ranked among the top 12 nationally in both the 100m dash and the 100m hurdles from 1976-1981. In 1976, she was an Olympic trials semifinalist in the 100m dash.

Her propensity for speed landed her a scholarship at Arizona State, where Cash went on to earn all-America honors the next four years. Cash also set the Sun Devils' school records in the 100m dash

and 100m hurdles, along with participating on the 4x100m relay team that set a national record.

Cash earned her bachelor's degree in broadcasting in 1981. After graduation, she served as a volunteer coach for the Sun Devil women's track team, assisting the hurdlers, before heading to Iowa.

Cash's high school career was also one for the record books, as Cash set Connecticut high school state records in the 100 yd., 200 yd. and 80 yd. hurdles. Her name also became known on the AAU circuit when she made the finals of both the senior and junior national championships in the 100m, 200m and 100m hurdles. In 1976, Cash was named the National Multiple Sclerosis Society Outstanding High School Woman Athlete in America.

In the past, Cash has worked at the Memphis All-Sports Camp. She also participated in the Tennessee SportsFest and is the record holder in her age group for the 100m hurdles, 100m dash and triple jump.

Cash is the daughter of former Olympic champion Lee Calhoun, who struck gold in the 110 yd. high hurdles at both the 1956 and 1960 Olympic games. Over the years the Lady Tigers have competed in the Lee Calhoun Invitational in Macomb, Ill., where Calhoun was head men's coach at Western Illinois University. The meet was first run in 1990.

Cash is married to Joseph Cash. The couple has two daughters, 13-year-old Tiara and nine-year-old Breana-Lee.

KEVIN ROBINSON

University of Memphis

Kevin Robinson returns to the University of Memphis track and field program after spending the past three seasons as an assistant track and field coach at Southern Illinois University in Carbondale.

Robinson, who still holds four school and one conference record, will be in charge of the men's and women's field events squad, working with the throwers, jumpers and multi-event athletes.

A graduate of the University of Memphis, Robinson coached three men's and four women's Missouri Valley Conference champions, and coached former Saluki Brian Miller to a fifth-place showing in the USA Nationals with a personal-best shot put of 67 feet, five inches, ranking Miller 15th in the world.

As a senior, Robinson won the C-USA indoor weight throw and hammer. He owns the school record in the indoor shot (59-3) and the weight throw (62-1.75), as well as the outdoor shot (61-4.75) and hammer (191-9) marks. His 62-foot, 1.25-inch mark in the 35-pound weight throw is still a Conference USA record.

A four-time C-USA athlete of the week award winner, Robinson qualified for the NCAA Outdoor Championships in 1998 in the shotput. He finished 13th at the NCAA championships with an effort of 57-feet 4.25 inches.

About Conference USA

In the world of intercollegiate sports, many considered the formation of Conference USA a bold move. Its formation occurred during a significant period of major conference realignment and restructuring of the NCAA. C-USA established a strong foundation while quickly earning a reputation of successfully competing at the highest levels of intercollegiate athletics. Capitalizing on the strengths of its 15 distinguished and diverse universities, Conference USA has quickly emerged as one of the nation's top conferences.

A PROUD HISTORY

The conference unveiled its name, logo and commissioner on April 24, 1995 in Chicago. Mike Slive was named the first commissioner of Conference USA. Eleven of the institutions began athletic participation in 1995, while Houston joined competition in the fall of 1996. The league's headquarters were established in Chicago.

PROMISE IN EXPANSION

Conference USA added East Carolina (September, 1996) and the United States Military Academy (March, 1997) as football members. ECU began league competition in 1997; Army in 1998 and UAB began football play in 1999. The league added TCU and ECU (1999) for all sports and they began competition in 2001. South Florida starts C-USA football in 2003.

COMPETITION

Conference USA sponsors 19 sports - baseball, basketball, cross country, football, golf, soccer, tennis, and track and field (indoor and outdoor) for men and basketball, cross country, golf, soccer, softball, swimming, tennis, track and field (indoor and outdoor), and volleyball for women. The league's championship competition is enhanced by NCAA automatic bids in volleyball, men's and women's basketball, men's and women's soccer, men's and women's tennis and baseball.

Conference sports compete in a single division, except for men's basketball, which currently competes in two. Charlotte, Cincinnati, DePaul, East Carolina, Louisville, Marquette, and Saint Louis comprise the American Division, while Houston, Memphis, South Florida, Southern Miss, TCU, Tulane and UAB make up the National Division.

In seven years, 62 student-athletes earned national Verizon Academic All-America honors, while 134 were named All-District. In addition, more than 6,000 student-athletes have been named to the Commissioner's Honor Roll or received the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom. The conference annually awards six postgraduate scholarships, along with the Sport Academic Award, Scholar Athletes of the Year and the Institutional Academic Excellence Award.

CONFERENCE USA ON TV

ESPN, Inc. and C-USA entered into an exclusive eight-year agreement, beginning with the 2001 season. The multi-faceted agreement, which incorporates ESPN, ESPN2, ESPN Regional Television, ABC Sports, ESPN.com and ESPN Classic, is highlighted by: ESPN/ESPN2's coverage of C-USA football featuring weeknight games; televising possible future C-USA Football Championship Games on ABC; men's basketball coverage; syndication and network rights for the conference's football and basketball coverage through ERT; continued exposure for women's basketball, along with volleyball, baseball, soccer and softball, as well as marketing rights.

GOVERNANCE

Along with the ACC, Big East, Big Ten, Big 12, Pac-10 and SEC, Conference USA is one of the seven conferences having significant representation in the NCAA governance structure. The Presidents of the member institutions serve as the league's Board of Directors. Dr. Joseph Steger of Cincinnati served as the chair for the first four years and was succeeded by Dr. J.H. Woodward of Charlotte.
