

HOTEL INFORMATION

SHERATON CABLE BEACH RESORT

A warm Bahamian welcome awaits at Sheraton Cable Beach Resort, ideally situated on a 1,000-foot stretch of Nassau's most spectacular white-sand beach. From the moment you arrive, you'll be treated to gracious Bahamian

hospitality, thoughtful amenities, and an abundance of activities – from swimming to snorkeling, sailing, and exciting water sports.

Seven acres of spectacular waterscape, including three fresh-water pools with flowing waterfalls, oversized whirlpools, and a swim-up bar will help you relax during the day. By night, try your luck at the neighboring Crystal Palace Casino. Or gather together for a taste of the Caribbean at the great restaurants and lounges, ranging from casual to fine-dining. Nassau's bustling nightlife is also just minutes away.

Find all the comforts of home in the 694 guest rooms and suites, each boasting a large private balcony or patio with inspiring views of the Atlantic Ocean, waterscape, or lush gardens. After a full day spent with

family and friends, drift to sleep on our soft and inviting Sheraton Sweet Sleeper Bed.

With 25,000 square feet for meeting and celebrating, the Sheraton Cable Beach Resort is ready to welcome fans from all over the country.

Sheraton Cable Beach Resort will put you in touch with the things that matter most so you can relax and be yourself.

MORE ON NASSAU, BAHAMAS

Welcome to Nassau, bustling hub of The Bahamas since the shipwrecking days of the legendary pirate Blackbeard. Prized for its sheltered harbour, Nassau is home to weatherbeaten, ancient forts; elegant, noble architecture; and fine local and international crafts and goods, from handmade lengths of batik to Rolex watches. An abundance of posh resort hotels, casinos, cabaret shows, and cruise ship docks make Nassau a vibrant center for entertainment as well as commerce.

Parliament Square in downtown Nassau is the traditional center of the Bahamian government. Here, picturesque pastel buildings erected in the early 1800s by Loyalists, including the Houses of Parliament, the old Colonial Secretary's Office, the Supreme Court, surround a marble statue of Queen Victoria.

For a larger perspective of Nassau, go across the Cay to Coral Island, with its hundred foot tower and commanding view. Or descend into its underwater observatory for close encounters with stingrays and other creatures. You can even send details of your adventure from the world's only underwater mailbox. For encounters of a different kind, venture east and cross the bridge from the town of Nassau to "Paradise," with resorts, casinos and exciting nightlife on an island formerly called "Hog."

Cable Beach, with its luxury hotels, casinos and beachfront, got its name in

1907 from the laying here of transatlantic telephone cables linking what was an isolated Bahamas to the rest of the world. But these days, the world comes to The Bahamas to see what it has been missing. The Bahamas: the ultimate Caribbean getaway.
