| 3/26 | vs. UIC | 429.750 (1 of 2) | 72.550 | 66.900 | 72.800 | 74.600* | 72.850 | 70.050 |
| 4/1-2 | at B1G Championships | 417.250 (6 of 6) | 71.600 | 62.050 | 72.900 | 73.700 | 70.200 | 66.800 |
| 4/14 | at NCAA Qualifier | 422.150 (5 of 6) | 72.850 | 69.800 | 71.300 | 74.400 | 66.850 | 66.950 |
| 4/15 | at NCAA Team & AA Finals | 417.250 (7th of 7) | 71.600 | 62.050 | 72.900 | 73.300 | 70.200 | 66.800 |
| 4/16 | at NCAA Event Finals | 422.150 (5th of 6) | 72.850 | 69.800 | 71.300 | 74.400 | 66.850 | 66.950 |

- The Wolverines earned their first win of the year vs. Puerto Rico and Temple on March 5 in Mayaguez, Puerto Rico, scoring a team total of 416.05, and followed with another victory two weeks later over the No. 8 Penn State Nittany Lions, 431.65-420.70. U-M's senior trio of Michael Strathern, Nolan Novak and Colin Mahar wrapped up their Cliff Keen Arena career with all three winning an event title on Senior Night with a victory over the UIC Flames.

- At Big Tens, five Wolverines qualified for the individual event finals and performed a total of eight routines after Michigan placed seventh in the team competition with a 417.250. Two weeks later at NCAAs, U-M scored a 422.150 to place fifth in session II of the championships and ninth overall.

- U-M finished the season ranked second in the NCAA on vault (74.275) as well as ninth on both still rings (72.238) and parallel bars (71.713).

- Anthony McCallum became Michigan's first NCAA vault champion in 13 years and only the third in school history, joining Gil LaRose (1963) and Andrew DiGiore (2003). The win for McCallum was the 30th NCAA individual championship in school history.

- Dmitri Belanovski (all-around, floor) earned his second and third NCAA All-America citations, while the honor for Colin Mahar on still rings was his first. U-M has had an All-America honor on floor each of the last six seasons and seven of the last eight, while the last still rings honor came in 2010 (Chris Cameron).

- Anthony McCallum also won the Big Ten vault title with a school-record 15.675. Classmate Emyre Cole marked a season-high 84.95 all-around score to place sixth and earn All-Big Ten first team honors, and Anthony Stefanelli took third on vault (15.200) and earned All-Big Ten second team honors.

- Emyre Cole earned Big Ten Gymnast and Freshman Gymnast of the Week for his performance against UIC. He placed first with a then-school record on vault (15.50), third on floor (15.00) and fifth on parallel bars (14.15).

DR. NEWT LOKEN AND DR. GEORGE MAY SCHOLARSHIPS

The contributions former University of Michigan men's gymnastics coach Newt Loken has made to Wolverine men's gymnastics, as well as the gymnastics world, are what have made him a legend.

As an undergraduate student at the University of Minnesota, Loken was captain of both the gymnastics and cheerleading teams. In addition to his leadership skills, he was also an exceptional athlete, winning the Big Ten Conference All-Around championship twice and the NCAA national title once.

Following his years at Minnesota, Loken came to Michigan to pursue a master's degree, which he received in 1946. Shortly thereafter, he took over as head coach of the Michigan's men's gymnastics team. While coaching the Wolverines, Loken earned his doctorate degree from Michigan (1955).

Loken was the driving force behind the Wolverines' national championships in both 1963 and 1970. His 36-year career record of 250-72-1, along with 12 Big Ten Conference titles, have secured Loken's place as one of Michigan's all-time greatest coaches.

Although Loken retired in 1983, he remains an integral part of the gymnastics program. In fact, his presence is as strong as ever. In 2001 Loken was awarded the Men's Service Award from USA Gymnastics. Last season, Michigan honored the legendary coach with an award for 60 years of perfect attendance at all men's gymnastics meets (1948-2008).

A fixture at Michigan gymnastics meets as well as many other athletic and University events, Loken will be forever immortalized in Michigan athletics with the Newt Loken Scholarship. As a tribute to his commitment and

dedication to the University of Michigan Athletic Department, the friends and former athletes of Loken have endowed a scholarship in his name.

The scholarship is a major piece in the foundation of the future of Michigan men's gymnastics. Awarded annually to assist the members of the Michigan men's gymnastics team, the Newt Loken Scholarship ensures future gymnasts will be given the opportunity to carry on the tradition and pageantry of Michigan gymnastics. The 2008-09 recipient of the Dr. Newt Loken Scholarship is sophomore Thomas Kelley.

The Dr. George May Scholarship has been allocated for the men's gymnastics team in memory of Dr. George May. May was a great contributor to and supporter of the men's gymnastics program during his time at Michigan. While here, Dr. May was the Director of Waterman Gymnasium and frequently worked out on the gymnastics equipment located there. As time went on, he continued to stay in shape and managed to perform giant swings on the high bar in celebration of his 70th birthday. Dr. May was definitely a Grand Old Man of Michigan gymnastics and was commonly introduced at home gymnastics meets as an honorary judge. Dr. May will continue to be associated with Michigan men's gymnastics as this scholarship will be given out to a U-M gymnast each year. The 2008-09 recipient of the Dr. George May Scholarship is junior David Chan.

NEWT LOKEN A Legendary Career

Coaching Career

Seasons at Michigan: 36

Career record: 250-72-1 (.776)

NCAA Championships: 1936, 1970
