M U-M SOCCER COMPLEX

THE U-M SOCCER COMPLEX

The 2008 season ushered in a new era with the opening of the brand new U-M Soccer Complex. The new home of Michigan soccer will feature a regulation, lighted, competition field and separate practice fields for both the men's and women's programs. The fields are located west of the tennis complex on South State Street. The landscape architectural firm of JJR designed the new soccer fields. Future additions include the addition of permanent grand stands, coaches offices, a press box and locker rooms for both programs and visiting teams.

The Wolverines left their old home at the Michigan Soccer Field after seven seasons as part of a the \$26.1 million project to continue the upgrade of facilities across the entire department. The men's soccer team played its home games at the all-grass South State Street location since its inaguration in 2000 and compiled a 39-18-7 record in eight seasons at the site. The first game played by the men's team at the U-M Soccer Field was a 1-0 victory over DePaul in front of 1,487 fans. The field also played host to the 2004 Big Ten Championship and twice was the site of a U-M NCAA Tournament contest.

BIG BEAR TROPHY

MEN'S SOCCER RIVALRY TROPHY WITH MICHIGAN STATE

When the Wolverines and Spartans meet on the pitch, more than state pride is on the line. The two teams battle for the Big Bear Trophy, a wood sculpture U-M head coach Steve Burns purchased to commemorate the rivalry. The traveling hardware has been up for grabs in each regular-season meeting between the two schools since 2000. Michigan claimed it in 2003 with the Spartans taking it home on seven occasions. The trophy will be up for grabs for the tenth time in 2009.

M-PIRE

The M-Pire is the Michigan men's soccer student section that was formed at the start of the 2004 season. The M-Pire moniker was created by the Ybarra family of Ann Arbor.

"The atmosphere at our games was just way too polite and dull. We need that student energy to create a home field advantage. We've built a family base, but we had not done a good job at bringing the students in. The M-Pire will help us to develop a student cheering section that will be one of the best in the Big Ten." - U-M Head Coach Steve Burns
