## SERIES HISTORY VS. OPPONENTS

**NOTE: Information is incomplete for the 1976-1981 seasons, specifically the Regional and National AIAW Championships. As a result, dates, teams, and meet outcomes may be missing during this span.**

**Wins and losses at the NCAA competitions are determined by finish. For example, if Michigan finishes third at a six-team Regional, it will be 3-2. Wins and losses only count in the meets and sessions the team physically competes in.**
