MIAMI UNIVERSITY DANCE TEAM

The Official Dance Team of Miami Athletics

The Official Dance Team of Miami Athletics

The Miami University Dance Team entertains the crowd and promotes Red Hawk spirit by cheering and performing at all home football games and men's and women's basketball games. The team also competes annually at the National Dance Alliance (NDA) College Nationals in Daytona Beach, Florida, where they perform three different styles of dance: jazz, pom, and hip-hop. Throughout the year the team practices style and technique, with a regularly incorporated workout regimen. Other season events include attending NDA summer camp, traveling to the Mid-American Conference Basketball Tournament, holding private and group camps for local dance teams, and performing at various campus and community events.

Private/ Group Camps

In addition to performing, the Miami Dance Team also provides private training and camps for high school and elementary groups. Technique, style, choreography, and team-building strategies can be incorporated. Please contact the Miami Dance Team to book your camp now!

Tryouts

The Miami Dance Team currently holds tryouts twice a year. Participants are taught a one-minute routine incorporating jazz, pom, and hip-hop, and are also required to perform various techniques. A cheer portion and interview are also incorporated. Please see the website or contact the Program for further details.

For more information, please contact the Miami University Dance Team Program:
