

*Missouri Women's Tennis is grateful for your support of our team! There are so many exciting changes taking place in our program. A new beautiful outdoor facility, a newly remodeled indoor facility, and a master plan to upgrade and expand the Green Tennis Center. We are dedicated to competing at the highest level of collegiate tennis programs with student-athletes who excel in the classroom, on the tennis court and in our community. You can play a vital role in helping us achieve excellence with your financial support of our program.*

## Aces Mission Statement

The mission of **Aces** is to provide opportunities for family, friends and alumni to support, get involved, and make a positive difference on our Mizou Women's Tennis Program. All gifts made will offset financial needs above and beyond their budgeted expenses in a given year.

For members who are a part of both Aces and the Tiger Scholarship Fund, it should be noted that this gift to the Women's Tennis program through Aces is above and beyond any annual contributions to the Tiger Scholarship Fund and the Champions for Life capital campaign.
