

MPSF MEN'S VOLLEYBALL MEDIA TIMEOUTS

February 2011

It has always been the philosophy of this group to accommodate media in order to promote the sport. In the spirit of this philosophy, legitimate requests for media time outs will be granted. Officials working MPSF matches have been instructed to accommodate such requests, regardless if the request is coming from media working home or road matches.

For example, when Hawaii is at home, they have media time outs during the first four sets when the 15th point is scored whether or not a previous time out is utilized by either team. MPSF officials have been directed to accommodate this procedure when UH is at home and when media is traveling with the team on the road. This same policy applies to any MPSF team at home or when traveling.
