Big Ten Gymnasts Of The Week

After not receiving a Big Ten Gymnast of the Week honoree since the 2005 season, Michigan State has earned the honor twice thus far in 2007. Kristen Coleman won the award on Jan. 31 for her record-breaking performance at the Jan. 27 Flip For The Cure Meet. Coleman set a new Spartan benchmark with a 39.525 in the all-around competition, adding first-place finishes on the bars (9.950) and beam (9.850), while she tied with teammate Nicole Curler for first-place honors on the floor exercise (9.850).

Freshman tumbler Nicole Curler earned her first-career Big Ten Gymnast of the Week honor on Jan. 17. Curler picked up the weekly honor after winning both the balance beam (9.925) and floor exercise (9.875), while also tying for first in the all-around against No. 16 Arizona on Jan. 12. The Bay City, Mich., native tied with teammate Kristen Coleman in the all-around competition, tallying a mark of 39.400. Curler helped MSU achieve its highest team mark on the uneven bars since the 2000 season and the third-highest in Spartan history (49.325).

Flipping For A Record

Freshman tumbler Rochelle Robinson set a new Spartan record with a mark of 9.950 on the vault at last week's Flip For The Cure Meet at Jenison Field House. The score was the highest since the 2004 season when then-freshman Victoria Iakounina tied the all-time mark with a 9.925.

Three Of The Top Five

The Spartans placed three competitors in the top five of the all-around competition at the Pittsburgh quad meet on Jan. 19, including freshman Rochelle Robinson who took second with a score 38.825. Katlyn Roggensack (38.450) and Kristen Coleman (38.425) took third and fourth, respectively, for the Green and White.

Did You Know?

Through the first three meets of the 2007 season, the freshmen class has accounted for 14 first-place individual event finishes and one top score in the all-around competition.

Strong Start

At least three freshmen competed on each event for MSU in the season opener versus Arizona. Nicole Curler tumbled her way to a first-place finish on both the balance beam (9.925) and floor exercise (9.875) events, while her score of 39.400 tied for first in the all-around competition with teammate Kristen Coleman. Freshman Kelly Moffitt also contributed for the Green and White with a 9.825 on the vault (third place), while Megan Bergland finished third on the uneven bars with a 9.850 in her collegiate debut.

Record Breakers

Both Kristen Coleman and sophomore Katlyn Roggensack set career-highs on the uneven bar event in the season opener against Arizona. Coleman captured first place with a 9.925, while Roggensack contributed a 9.800 for the Green and White. MSU's score of 49.325 ranks as the third-highest total in school history, and the highest mark since the 2000 campaign.

2007 Schedule

Michigan State will face six teams ranked in the GymInfo Preseason Top 25 Coaches Poll, and also will compete against nine additional teams that received votes by the panel of coaches during the 2007 season. MSU opens the season against No. 16 Arizona and will face No. 3 Florida, No. 6 Michigan, No. 14 Penn State and No. 24 West Virginia during the dual-meet season.

Looking Back

The Spartans ended the 2006 season with a second-place finish at the Big Ten Championship Meet at Jenison Field House and a trip to the NCAA Central Regionals held on the campus of Louisiana State University. The Big Ten finish was the highest since 1996, and the regional meet appearance was the 15th in Spartan history, and eighth under Klages. Kristen Coleman was the Spartans' top scorer on all-four events at the Regional Championship, as the Green and White wrapped up its season with a fifth-place finish and a score of 193.575. In addition to her third-place finish in the all-around (39.125), Coleman added a sixth-place finish on the uneven bars, scoring a 9.800 to clinch her spot at the national meet and prolong her season as an individual competitor.

Conference Honors

Prior to the 2006 conference championship meet, junior Kristen Coleman and classmate Victoria Iakounina were named to the All-Big Ten First and Second Teams, respectively. The honor was Coleman's first All-Big Ten selection, while Iakounina also earned second-team honors and was named Freshman of the Year in 2004. Senior Sarah Alexander was also recognized as Michigan State's sportsmanship award honoree. In addition, Spartan head coach Kathie Klages was named the 2006 Big Ten Co-Coach of the Year, at a post-championship awards ceremony. It was the third-such honor, and the second in three seasons, for Coach Klages.

Head Coach Kathie Klages

Kathie Klages is in her 17th season at the helm of the Michigan State gymnastics program in 2007. She is a three-time Big Ten Coach of the Year award winner, and has been named Central Region Coach of the Year four times. Klages' teams have been consistently successful, as she has posted a winning record in each of her previous 16 seasons leading the Green and White. In 2006, Klages guided MSU to a second-place finish at the Big Ten Championship Meet, mentored the 10th Big Ten individual event champion in school history (Chayla Hill, vault) and led State to its 15th appearance in NCAA Regional competition.

Big Ten Champion

At the 2006 Big Ten Championship Meet, Chayla Hill garnered a 9.800 on vault to finish in a five-way tie for first place, the first MSU gymnast to capture an individual event title since the 1996 season. Hill also captured three vault titles during the dual-meet season, including a season-high performance of 9.850 versus Pittsburgh and Western Michigan on Jan. 14.

Strong Leadership From The Veterans

Veterans Sarah Alexander, Kristen Coleman, Chayla Hill and Victoria Iakounina anchored the Michigan State rotation in 2006. The quartet combined for 54 top-three finishes and 14 trips to the podium in the all-around last season. Big Ten Championship competition saw Hill tie for first-place on vault with a score of 9.800, while Coleman placed second in the all-around competition, scoring a 39.100.

Scoring Rundown

Unlike other collegiate athletic rankings, collegiate gymnastic rankings are not based on wins and losses or votes. Gymnastic teams are ranked by their meet scores alone. Teams are ranked by their highest score during the opening portion of the season and are then ranked by their total season average. The teams finish the dual-meet season ranked by their Regional Qualifying Score (RQS). A RQS is based on a team's top six regular-season scores, with three scores coming from away meets. To obtain the RQS, the team's or gymnast's highest score is dropped and the remaining five scores are averaged.

Spartan Gymnastics Signs Two For 2008

Two gymnasts have signed National Letters of Intent to attend Michigan State, beginning with the 2007 fall semester. Nicole Argiros (Livonia, Mich./Stevenson High School/Michigan Academy of Gymnastics) and Kathryn Mahoney (Western Spring, Ill./Lyons Township High School/Illinois Gymnastics Institute) will don the Green and White for the 2008 season.
