*Co-Defensive Players of the Week*

**BEAU BELL, UNLV**

**Senior, Linebacker, Tustin, Calif./Tustin**

Beau Bell recorded 10 total tackles, including five solo stops and three tackles for loss, as well as a pass breakup and an interception return for a touchdown in UNLV's loss to Wyoming. Midway through the third quarter, Bell grabbed his third career interception and ran it back 11 yards to give the Rebels a 17-9 lead and their first defensive score of the season. Bell now has 288 career tackles, moving into fifth place all-time at UNLV and 10th in MWC history.

**Senior, Defensive Back, Salt Lake City, Utah/Utah State**

Steve Tate registered 12 tackles, including 10 solo, one sack, two tackles for loss and an interception in Utah's win at Colorado State. Tate's effort led a Utah defense that allowed just three CSU points and held the Rams to 2-of-13 on third down conversion attempts.

*Co-Special Teams Players of the Week*

Sullivan connected from 43, 20, 32 and 38 yards, establishing a school record by making 18 consecutive field goals. The streak ended when he missed from 32 yards later in the fourth period. Sullivan now has 19 made field goals this season, which tie for the second-most in school history and fourth-most in MWC history.

**WEEK 9 RECAP**

New Mexico and Utah became the latest Mountain West Conference teams to gain bowl-eligible status, defeating Air Force and Colorado State, respectively, in Week 9 football action. Meanwhile, Wyoming halted a two-game losing skid with a win over UNLV, while the BYU-San Diego State contest was postponed until December 1, due to the fires in San Diego.

On Thursday, New Mexico (6-2, 3-1 MWC) scored field goals on back-to-back possessions in the fourth quarter and held on for a 34-31 win over Air Force (6-3, 5-2 MWC) in Albuquerque. The Lobos, who moved into second place in the MWC standings, are off to their best start in 10 seasons under coach Rocky Long, and bowl-eligible for the seventh straight year.

On Saturday, Wyoming (5-3, 2-2 MWC) rallied for a 29-24 win over UNLV (2-7, 1-4 MWC) in Laramie. Trailing 24-23 late in the fourth quarter, the Cowboys scored on a three-yard touchdown pass with 5:42 left in the game to go up 29-24, then held on for the victory as the Rebels dropped their fifth straight decision.

In Fort Collins, Utah (6-3, 3-2 MWC) extended its win streak to five games with a 27-3 win over Colorado State (1-7, 1-4 MWC). The Utes scored on four offensive possessions in the first half, while the defensive unit recorded six sacks on the day.

**MWC NOTABLES**

- Air Force is 6-0 when out-rushing its opponents and when they have a player rush for over 100 yards. Air Force is 0-3 when they don't have a player run for over 100 yards.
- Air Force is 6-0 this season when holding its opponents to 21 or fewer points. In each of its three defeats, AFA has allowed 31 or more points.
- BYU's **Harvey Unga** is the first running back in school history to record four 100-yard rushing games during his freshman season after racking up 145 yards on 21 carries in the Cougars' 42-7 win over Eastern Washington.
- Colorado State LB Jeff **Horinek** tied his career best, with 13 total tackles against Utah. His final stop of the day marked career tackle number 200.
- New Mexico scored on its first drive for the fifth time this season in its last outing against Air Force. UNM is 5-0 when scoring on its opening possession.
- New Mexico has its best start under 10th-year head coach **Rocky Long**. The last time the Lobos started MWC play 3-1 was 2002.
- New Mexico PK **John Sullivan** made four field goals against Air Force, setting a new school record with 18 consecutive field goals made before missing his final attempt of the night. His 19 FGs tie for second-best in a single season at UNM. The school record is 21 by Colby Cason in 13 games in 1997.
- San Diego State QB **Kevin O'Connell** scored his 13th and 14th career rushing touchdowns and fifth and sixth of the year last time out against New Mexico. O'Connell equaled the Aztec career record for most rushing scores by a QB held by Matt Kofler, who also had 14 from 1980-81. O'Connell needs one more TD to equal Kofler's season record of seven, which Kofler posted in both of his years at SDSU.
- TCU recorded a season-high six sacks against Utah its last time out. The Frogs have 24 sacks in their last six games.
- TCU TB **Aaron Brown** has recorded five career 100-yard rushing games. The Frogs are 5-0 in those contests.

- Wyoming recorded a season-high seven sacks against UNLV. The Pokes also had nine pass break-ups and two interceptions.
- Wyoming held UNLV to 266 yards of total offense. It was the third time this season the Cowboy defense has held its opponent to under 300 yards of total offense (Virginia-100, Utah State-280).

**2007 AFCA GOOD WORKS TEAM**

UNLV WR **Casey Flair** is one of only 11 players in the nation named to the 2007 American Football Coaches Association (AFCA) Good Works Team for the Bowl Subdivision. The award makes Flair the 11th football player from a MWC institution to be honored by the Good Works Team®. This is the fourth straight year that the MWC has been represented on the list.

A junior from Anchorage, Alaska, and graduate of East High School, Flair is the fourth Rebel ever selected to the prestigious collection of student-athletes that has been honored for its performance off the field for the last 16 years. Former UNLV lineman Tony Terrell was the first honoree in 2002, two-time All-American safety Jamaal Brimmer earned the nod in 2004 and Las Vegas native and standout defensive end Leon Moore was tabbed in 2005. Flair, who led the MWC in receptions per game in 2006 and has caught at least one pass in every game of his college career, founded, promotes and oversees his own week-long, non-profit football camp for kids age 6-14 in his hometown of Anchorage each summer. He also volunteers for various team projects and is a part-time worker at a Las Vegas recreation center, acting as a tutor and sports coach for at-risk youth. Nominated by their school's sports information directors and voted on by an AFCA committee, successful candidates must be involved in working for charity and/or service.

**The Mtn. - MountainWest Sports Network**

September 1, 2007 is more than an anniversary to Mountain West Conference fans and institutions. It represents a pioneering milestone in American sports.

Launched one year earlier, The Mtn. - MountainWest Sports Network was the first network dedicated to a collegiate athletic conference. The Mtn. provides sports fans blanket coverage of MWC athletics across multiple sports. The Mtn. featured more MWC games on television than ever before during the 2006-07 academic year.

In 2007, it will only get better. The football season will focus on fan-friendly start times and even triple-header Saturdays to provide all-day gridiron action to MWC fans. In addition, the network's plan for enhanced football coverage calls for live news broadcasts on weeknights, as well as Friday-night pre-game shows aired live from institutional campuses.

The Mtn. ("The Mountain") is not just a source for an extensive schedule of games. It's a groundbreaking backstage pass for fans that includes a comprehensive array of news, features, original programming and analysis about their favorite MWC teams, coaches and players. The innovative Campus Cam, a mini-studio installed on each of the nine MWC campuses, provides quick access to coach and student-athlete interviews and breaking news coverage.

The Mtn. has an experienced team of talent including play-by-play announcers, analysts, sideline reporters and in-studio anchors that provide viewers with extensive pre-game, halftime and post-game coverage, along with weekly and seasonal analysis and wrap-ups. The Mtn. also takes fans off the court and behind the scenes with coverage of the latest stats, press conferences, coaching developments and more.

The Mtn. is the result of a partnership between Comcast SportsNet and CSTV that was announced on July 19, 2006. Comcast and CSTV each own 50 percent of the network, which will be operated by Comcast. To get the official network of the Mountain West Conference, please contact your local cable or satellite provider and tell them you want The Mtn. - MountainWest Sports Network. The broadcast outlets for those games listed as TBD are still being determined.

**BOWL ARRANGEMENTS**

The Mountain West currently has agreements with five bowl games in 2007. Unless an MWC team qualifies for a BCS bowl game, the Pioneer Las Vegas Bowl has the first selection of MWC teams, followed by the San Diego County Credit Union Poinsettia Bowl with the second selection. The Bell Helicopter Armed Forces and New Mexico Bowls have the third and fourth selections, but in no particular order. The Texas Bowl also has an agreement with the MWC, Big 12, Big East and Conference USA. The MWC will participate in the game at least once every four years. Since 1999, the MWC has posted an 14-12 bowl record.

**BOWL FACTS**

Collectively, eight of the nine MWC members have participated in a bowl game the last seven years, led by TCU with seven appearances each. Seven of the nine members have won bowl games since 2000 with Utah leading the way with a perfect 6-0 record.

**BOWL CHAMPIONSHIP SERIES**

The Bowl Championship Series (BCS) is a five-game arrangement for post-season college football that is designed to match the two top-rated teams in a national championship game and to create exciting and competitive matchups between eight other highly regarded teams in four other games. The bowl games participating in the BCS are the Fiesta Bowl, Orange Bowl, Rose Bowl and Sugar Bowl. In addition, the BCS National Championship Game will be played at one of the four bowl sites. Since the 2000 regular season, the BCS Standings have been compiled by the National Football Foundation and College Hall of Fame. The Standings include three components: *USA Today* Coaches Poll, Harris Interactive College Football Poll and an average of six computer rankings. Each component will count one-third toward a team's overall BCS score. All three components shall be added together and averaged for a team's ranking in the BCS Standings. The team with the highest average shall rank first in the BCS Standings.

## **NEW NATIONAL STANDARD**

The Collegiate Commissioners Association has adopted national protocols and standards for the NCAA FBS Instant Replay system beginning with the 2007 season. To view that document, visit the football page on TheMWC.com.

## **ELIGIBILITY FOR INSTANT REPLAY**

### **Participation**

- a. Any member institution may use instant replay. This rule is permissive, not a requirement. If instant replay is used, it must be used in full compliance with this rule.
- b. For any non-conference game, if the home team is using instant replay, the visiting team does not have the option of declining its use for that game. If the home team is not using instant replay, the visiting team does not have the option of requesting that it be used in that game.

## **REVIEWABLE PLAYS**

### **Side Line, Goal Line, End Line**

Reviewable plays governed by a sideline, goal line or an end line include:

- a. Scoring plays, including a runner in possession of a live ball breaking the plane of a goal line.
- b. A pass ruled complete, incomplete or intercepted at a side line, goal line or an end line.
- c. A runner or pass receiver ruled in or out of bounds.
- d. Recovery of a loose ball in or out of bounds in the field of play or an end zone.
- e. A loose ball touching a side line, goal line or an end line.

### **Passes**

Reviewable plays involving passes include:

- a. A pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
- b. A legal forward pass touched by an ineligible receiver.
- c. A legal forward pass touched by a defensive player.
- d. A fumble ruled on the part of a potential passer. (Note: If the on-field ruling is forward pass and the pass is incomplete, the play is not reviewable).
- e. A forward pass or forward handing ruled when a runner is beyond the line of scrimmage.
- f. A forward pass or forward handing ruled after a change of possession.
- g. A pass ruled forward or backward when thrown from behind the line of scrimmage. (Note: If the pass is ruled forward and is incomplete, the play is not reviewable.)

### **Miscellaneous**

Miscellaneous reviewable plays include:

- a. A runner judged to have been not down by rule. (Note: If a runner is ruled down, the play is not reviewable).
- b. A runner's forward progress with respect to a first down.
- c. Touching of any type kick by any player.
- d. The number of players participating by either team during a live ball.
- e. A scrimmage kicker beyond the line of scrimmage when the ball is kicked.
- f. Clock adjustment when a ruling on the field is reversed.
- g. A fumble recovery by a Team A player during fourth down or a try and before any change of possession.
- h. A kick that is advanced by the kicking team after a muff or fumble by the receiving team.
- i. Correcting the number of a down. (Note: The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.)
- j. Any person who is not a player interfering with live-ball action occurring in the field of play.

### **Plays Not Reviewable**

No other plays or officiating decisions are reviewable.

## **INITIATING THE REPLAY PROCESS**

### **Game Stop**

There are two methods to stop a game to review a ruling on the field.

- a. The replay official and his crew shall review every play of a game. He may stop a game at any time before the ball is next legally put in play whenever he believes that:
  1. There is reasonable evidence to believe an error was made in the initial on-field ruling.
  2. The play is reviewable.
  3. Any reversal of an on-field ruling, which would result from indisputable video evidence, would have a direct, competitive impact on the game.
- b. The head coach of either team may request that the game be stopped and a play be reviewed by challenging the on-field ruling.
  1. A head coach initiates this challenge by taking a team timeout before the ball is next legally put in play and informing the referee that he is challenging the ruling of the previous play. The head coach who has challenged the original ruling is not permitted any other challenge during the game.
  2. After a review has been completed, if the on-field ruling is reversed, that team's timeout will not be charged.
  3. After a review has been completed, and the on-field ruling is not reversed, the charged team timeout counts as one of the three permitted that team for that half or the one permitted in that extra period.
  4. A head coach may not challenge a ruling in which the game was stopped and a decision has already been made by the replay official.
  5. If a head coach requests a team time out to challenge an on-field ruling and the play being challenged is not reviewable, the timeout shall count as one of the three permitted his team during that half of the game or the one permitted in that extra period. If all team timeouts have been used, a delay penalty will be assessed.
  6. A head coach may not challenge an on-field ruling if all the team's timeouts have been used for that half or in that extra period.
  7. Each head coach shall be permitted one challenge per game.

### **When to Stop a Game**

- a. A game may be stopped, either by the instant replay official or by a head coach's challenge at any time before the ball is next legally put in play.
- b. No game official may request that a game be stopped and a play be reviewed.

## **REVERSING AN ON-FIELD RULING**

### **Criterion for Reversal**

In order to reverse an on-field ruling, the replay official must see indisputable video evidence through one or more video replays provided to the monitor.

### **Time Restrictions**

- a. Although each head coach is limited to one challenge per game, there is no restriction on the number of times the replay official may stop a game to review an on-field ruling.
- b. Once a game has been stopped to review a play, regardless of how it was stopped, there is no time limit for the review process.

## **INSTANT REPLAY SYSTEM**

The Mountain West has partnered with DVSPORT, Inc. and will utilize its instant replay equipment beginning with the 2007 football season.
