OBTAINING INFORMATION
ON THE MWC

Information on the Mountain West Conference and its eight member institutions is available in several ways.

THE INTERNET

The official Mountain West Conference website (www.TheMWC.com) is the best source. The site is maintained by Brett Lowder of the MWC communications staff and hosted through FANsOnly. Each softball box score will be made available on the website no later than the following Tuesday or Friday after the event. Updated conference statistics and standings, along with conference leaders will be available on a weekly basis. The MWC website also provides links to each school's official website, and sport specialty sites that post national polls, etc. In addition, the MWC newsstand provides links to stories from newspapers around the MWC and nation.

MEDIATEAMLINK.COM

Perhaps the most convenient method to obtain information on the Mountain West Conference or any of its eight member institutions is through Pivotal Communications' Media Teamlink service. This is an internet product which allows media members to sign up to receive documents via email and/or fax as soon as they are updated by the media relations staffs. Receiving information via email is **FREE**, while faxes require a minimal charge. To signup, go online at www.mediateamlink.com.

FAX

Those who prefer fax machines as their source will find all of the same information available through Fax-On-Demand. Call Info Connection at (770) 558-6000 to enter your PIN number and access the system. If you do not have a PIN number, call Pivotal Communications at (770) 399-0096 to obtain one. The Mountain West Conference Passcode is 692. The document numbers to obtain information on MWC softball are as follows: **1055-Release, 1056-Statistics & Superlatives, 1057-Standings & Results, 1058-Schedule, 1059-All-Mountain West Conference Teams, 1082-Mountain West Conference Championship Information, 1060-Breaking News (including player of the week release).**

In addition to the above sources, the Mountain West Conference staff welcomes the opportunity to assist in your coverage of MWC Softball. Please feel free to contact Marlon Edge, Communications Intern, via email at (medge@TheMWC.com) or by phone at (719-488-4052).
