**OBTAINING INFORMATION
ON THE MWC**

Information on the Mountain West Conference and its eight member institutions is available in several ways.

THE INTERNET

The official Mountain West Conference website (www.mountainwestconf.com) is the best source. The site is maintained by Brett Lowder of the MWC communications staff and hosted through FANOnly. Each softball box score will be made available on the website no later than the following Tuesday or Friday after the event. Updated conference statistics and standings, along with conference leaders will be available on a weekly basis. The MWC website also provides links to each school's official website, and sport specialty sites that post national polls, etc. In addition, the MWC newsstand provides links to stories from newspapers around the MWC and nation.

MEDIATEAMLINK.COM

Perhaps the most convenient method to obtain information on the Mountain West Conference or any of its eight member institutions is through Pivotal Communications' Media Teamlink service. This is an internet product which allows media members to sign up to receive documents via email and/or fax as soon as they are updated by the media relations staffs. Receiving information via email is **FREE**, while faxes require a minimal charge. To signup, go online at www.mediateamlink.com.

FAX

Those who prefer fax machines as their source will find all of the same information available through Fax-On-Demand. Call Info Connection at (770) 558-6000 to enter your PIN number and access the system. If you do not have a PIN number, call Pivotal Communications at (770) 399-0096 to obtain one. The Mountain West Conference Passcode is 692. The document numbers to obtain information on MWC softball are as follows: **1055-Release, 1056-Statistics & Superlatives, 1057-Standings & Results, 1058-Schedule, 1059-All-Mountain West Conference Teams, 1082-Mountain West Conference Championship Information, 1060-Breaking News (including player of the week release).**

In addition to the above sources, the Mountain West Conference staff welcomes the opportunity to assist in your coverage of MWC Softball. Please feel free to contact Javan Hedlund, Assistant Director of Communications via email at (jhedlund@mountainwestconf.com) or by phone at (719-488-4051).

- The Cougars are 29-4 when they score four or more runs in a game this season and 0-10 in one-run contests.
- BYU recorded its first conference series sweep of the season with its 7-1 and 10-2 victories over UNLV last week.

COLORADO STATE

- Colorado State has won six of its last 10 contests and recorded its second conference series sweep of the year vs. New Mexico last weekend in Fort Collins.
- The Rams have not been shutout in a current MWC-high 11 games.

NEW MEXICO

- Freshman pitcher Hayley Punter has struck out 144 batters this season, a number that ranks fifth in New Mexico single-season annals.

- Senior pitcher Sandra Durazo has pitched 23 complete games in 34 appearances this season and boasts a MWC-low 1.31 ERA.

UNLV

- The Rebels have lost a season-tying high four straight games. After posting 22 runs in the two two-game series vs. New Mexico and San Diego State a week ago, UNLV managed just five runs in the four-game set vs. BYU and Utah.

UTAH

The 5-0 loss to the Aztecs was also the first time the Utes had been shutout in a conference game since joining the MWC last season - breaking a string of 37 games with at least one run.
- Senior pitcher Kristin Arbogast has been the workhouse on the mound for the Utes this season. She has thrown a league-leading 36 complete games in 43 appearances and is currently 26-15 on the year. Arbogast also leads the league with 78 strikeouts, 78 more than any other pitcher in the conference.
