Change of Position

In order to process a change of position, please send a verification of position letter from the athletic director or principal.

The NABC requires a letter signed by the athletic director or principal on school letterhead that includes the following verification statement.

“(Name) is employed as a (full-time/part-time) basketball coach holding the position of (head coach, assistant coach, graduate assistant, other) at (school name) for the current basketball season.”

Membership Services will process a change of position only when we have received a signed letter from the athletic director or principal of your school verifying your position. This form is required by the NCAA.

Please fax the NABC (816) 878-6223 to change your membership to reflect the new school or new position. This change affects your NABC Convention entitlements for the next convention. Any additional membership fees must be paid by Sept. 1 for the change to be effective for the next convention.
