

Welcome to Capital One® Fiscal USM!

We are excited to kick off our second year after a successful roll out last fall. We had 125 institutions participate! The positive feedback we received is summed up perfectly by Kevin Anderson, the director of athletics at the University of Maryland:

"This is such an important topic to cover with student-athletes. We strive to help our student-athletes develop into responsible, outstanding adults, and this is one area some may not be familiar with."

It's an honor to be able to help student-athletes prepare for their financial futures, and we're looking forward to another great year.

This instructor's kit contains everything you'll need to confidently communicate and administer the program, including your instructor's guide, an informational brochure, and a promotional poster. To access the program's online content, please direct your student-athletes to www.capitalonefiscalu.com.

Thank you for your cooperation and your commitment to mentoring student-athletes. If you have any questions, please email fiscalu@capitalone.com.

Kindest regards,

NACDA
