

### **NAADD Diversity Initiative Program**

**Mission** – The goal of the NAADD Diversity Initiative is to identify top-flight minority and female administrators who desire to excel in intercollegiate athletic development and fund raising. The Initiative seeks individuals who want to advance their athletic administration career, enhance professional ability to raise funds for their institution, and create valuable networking opportunities with numerous collegiate athletic administrators.

**Goal** – Identify twenty-five (25) minority and female collegiate athletic professionals to attend the annual NAADD/NACDA Convention and provide a \$1,000 grant for each participant.

**Spirit of Partnership** – The Initiative will partner with the Minority Opportunities Athletic Association (MOAA) to showcase this opportunity for deserving professionals.

**Criteria – Must be a current dues paying member of NAADD.**

#### **Specific targeted goals of this initiative**

Increase under-represented minority and female professionals within athletic development

Provide financial support to eager professionals from Universities not typically involved in NAADD or NACDA

Financially give back to the NAADD membership

Allow recipients to network with other athletics development professionals

Provide a forum for the recipients to exchange ideas and learn through various educational sessions

Increase number of non-Division I athletics development professionals at the NAADD Convention

Introduce recipients at the NAADD *Fundamentals of Athletic Development* Workshop

Increase attendance at the annual NAADD Convention

Target potential future NAADD Executive Committee members

Target future speakers for the NAADD Convention

Increase the number of nominees for the NAADD Awards Program

Program will be evaluated on an annual basis
