### **Position Announcement/Advertisement**

The University of Oklahoma Athletics Department invites applications for the Athletics Diversity Council Graduate Assistantship. In an effort to increase diversity within intercollegiate athletics, the Athletics Diversity Council sponsors two opportunities for diverse/minority candidates. The program is seeking exceptional leaders who are motivated learners, able to thrive under pressure and multi-task. This is an excellent opportunity for individuals pursuing a career in intercollegiate athletics to gain a variety of experiences within the University of Oklahoma Athletics Department.

The OU ADC GA is a two-year program: year one allows the GA to experience different areas of the department through four eight-week rotations in various areas throughout the department. Year two is spent in one department of the assistants choice to gain more experience in that specific area.

Graduate assistantships include a tuition waiver, monthly stipend, and benefits. A Bachelor's degree and admission to the University of Oklahoma Graduate Program is required. **Deadline for applications is March 9, 2012.**
