

Facilities and Operations Intern

Florida Gulf Coast University (FGCU) Athletics, Facilities and Operations (Fort Myers, FL)

Florida Gulf Coast University (FGCU) is a NCAA Division I member competing in the Atlantic Sun Conference seeking a highly energetic, highly motivated, hardworking degree seeking student looking to pursue a future career in Intercollegiate Athletics for the position of Athletics' Facilities and Operations Intern. This individual will assist with all aspects within our Facilities and Operations department.

Compensation: This is an unpaid, semester long, internship for class credit

Internship Learning Objectives:

- ❖ Learn the proper methods in serving as Manager on Duty (MOD) for a variety of sporting and special events.
- ❖ Gain experience while assisting with Event Management of all fifteen (15) FGCU sports
- ❖ Build knowledge of proper methods in maintaining athletic facilities through the execution of a variety of projects and facility maintenance checklists.
- ❖ Learn the daily, weekly, and monthly tasks involved in operating athletic facilities.
- ❖ Develop supervisory skills through the supervision and management of our part time facilities and operations student staff.
- ❖ Gain experience in dealing with a variety of constituents involved in athletics by meeting and greeting visiting teams, officials, and other guests to athletic events.

Required Qualifications:

- ❖ Degree Seeking Student working towards their Bachelor's or Master's Degree
- ❖ A desire to work in an intercollegiate athletic environment
- ❖ Passion for FGCU and its Athletic Programs

Supervision/Evaluation:

- ❖ Internship direction and oversight will be given by the Assistant Directors for Facilities and Operations. Supervisors will provide verbal and written feedback on performance.
