Please note this is an **UNPAID** position for field experience. Review of applications will continue until position is filled. **No phone calls please.** The OBC policy requires that all persons interested in employment complete an application through the Orange Bowl's online process (link provided above) for a position which has been advertised or posted and for which they are qualified. A resume alone is not sufficient to consider an individual as an applicant. Individuals will not be considered applicants if the application is not filled out entirely.

This is an excellent opportunity for applicants who desire to make a career in athletics and gain experience working in numerous South Florida sports and entertainment venues. Candidates should be at least twenty-one (21) years of age, out-going, energetic and willing to actively engage strangers. Local travel is required, and candidates are responsible for their own transportation. Internship responsibilities include assisting with all OBC events as deemed necessary by OBC staff and running additional errands as needed. Extensive hours and weekends will be required.
