### Season Ticket Information

#### How to Renew

The easiest way to renew your tickets is online at NavySports.com. Please refer to your email or welcome letter for details. As always, you can mail your ticket application.

#### Deadline for Renewals

Football season ticket renewal applications are due **April 16**. Renewals not received by this date will be considered late. This deadline exists in order to offer seats to customers requesting seat changes and new season ticket holders. Late orders cannot be assured the same seats.

#### Payment

Payment can be made by check payable to NAAA (mail or in person only), cash (in person only), Visa, Mastercard, Discover, or American Express.

#### Seat Improvement Requests

To request a seat change, please note your request in concise detail on your renewal form or online renewal. Seat changes are subject to availability and not guaranteed. The Navy Ticket Office will review each request and make every effort to comply. Due to the volume of requests received, personal consultations are not feasible. Seating is based on consecutive years of season ticket purchase, 2012 Blue & Gold membership level, and availability.

#### Additional/New Season Tickets

Please make a request with your order as to where you would like your new seats to be assigned. We will make every effort to comply with your seating request. It may be easier to move your old seats to a location next to your new seats, especially if your old seats are in a popular season ticket area. All seat assignments for additional season tickets will be based on consecutive years of season ticket purchases, 2012 Blue & Gold membership level, and availability.

#### Season Ticket Package

The 2012 season ticket package includes a ticket to all five (5) games played in Annapolis. Season Parking passes are not included in the season ticket package and may be purchased separately. The reserved seating package is \$180. The Standing Room Only package is \$100.

#### Billy the Kid Tickets

A Billy the Kid season ticket is a standing room only admission for kids ages 12 & under. This ticket allows a child to sit on the grass hill in the North end zone. The Billy the Kid package is \$60.

#### Ticket Marketplace

Can't attend a game? Log onto the NavySports.com Ticket Marketplace to sell your tickets and ensure that your great seats do not go unused. More information on reselling unused season tickets is available on the Ticket Marketplace.

### Parking Information

Season ticket holders are eligible to purchase one (1) season parking pass for every two (2) adult season tickets in their account. Parking passes cost \$100 for the season, guaranteeing parking at Navy-Marine Corps Memorial Stadium for the five (5) games played in Annapolis. Parking is sold on a first-come, first-served basis. Be sure to secure your season parking pass in advance, as parking will not be sold on game day. If any single game parking passes become available, they will be sold on a first-come, first-served basis on August 7.

### Annapolis Game Ticket Information

Season ticket holders may purchase additional tickets for Navy home football games. Tickets ordered by the April 16 season ticket renewal deadline will be assigned before tickets are made available to the general public, but will not be adjacent to your season ticket location. Additional tickets are filled with the best available seats and assigned in priority order.
