NAVY LACROSSE CAMPS & CLINCS

All navy camps have the common goal of developing a camper's ability and exposing him to the Midshipman concepts of honor, integrity and discipline. Our camps have boasted one of the best counselor to camper ratios of 6 to 1. They are staffed by the finest college and high school coaches in the country. Current and former Naval Academy lacrosse players are used to offer a well rounded camp experience

CLINIC DETAILS

Three separate day camps designed for the beginning to intermediate player. The small camp size (Max. 90) will maximize individual instruction and allow the camper to excel at his own speed. These camps have become very popular since we introduced them three years ago and due to their size limit are bound to sel out quickly. Each session costs \$330.

Eligibility: The clinic is open to boys ages 7-15. Campers will be separated by age and ability to maximize their education.

Location: The clinic will be held entirely at the Navy Marine Corp Memorial Stadium. Each camper will have their own locker in the Navy locker room for the week.

Coach to camper ratio: The clinic will offer a camper to coach ratio of 6 to 1. One of the best ratio's available in any camp. This low ratio will maximize their positive experience.

Registration: Detach and mail in the registration form with payment. You will receive additional information via e-mail. You may also register on-line at www.navylacrossecamps.com Check-in will begin on the first day of each camp at 7:45AM in the NAVY-MARINE CORPS MEMORIAL STADIUM (1953 Pavilion).
