About the Camp Director

Camp Director Keith Puryear

The Naval Academy head women's coach, Keith Puryear, will direct this camp. Puryear is in his 26th year of collegiate coaching. Prior to coming to Navy, he was the head men's and women's coach at the University of Maryland Baltimore County for 19 years. Under his tutelage, the men's team won five conference championships, in two different conferences, the Northeast and America East. The women's team was just as successful securing six championships, in two different conferences, The Big South and Northeast Conferences. Puryear was named the USPTA Mid-Atlantic Section College Coach of the year in 2007 and has been chosen conference coach of the year 10 times, in three different conferences; the Big South, the Northeast Conference, and the America East. On three separate occasions he received both the men's and women's honors in the same year.

Coach Puryear is a certified USPTA and USPTR professional and has been an instructor at the Tennis Institute where he has coached many sectional and national ranked juniors. As a player, Puryear was ranked among the top five in the state for over five years, including a number one state ranking in the men's 35 in 1998, a number six state ranking in the men's open in 1997 and 1998, a number five ranking in 1995, and a MATA ranking of six in 35's for 1999.

Our Concept

Proper fundamentals are stressed as a way of increasing skills and enjoyment of the game. We understand that being a champion on court, often starts with being a champion in life. Each camper will be guided to be the best that they can be, on and off the court.
