## 2006-07 Outlook

### Overall Outlook

"I am excited about the talent we have returning," said Navy head coach Tom Marryott. "The loss of two great players in Ashley Pelzek and Lauren Skrel is going to force us to change a number of things, however, we return a wealth of experience and a great balance of both inside and outside players.

"Our senior class is going to be instrumental in our play this season and we couldn't be in more capable hands than Kate Hobbs, Carly Meyer, Betsy Burnett and Margaret Knap. They are going to set the tone for us all year."

### Returning Athletes

Navy returns from its 2005-06 roster ...

- 3 of 5 starters
- 9 of 11 letterwinners
- 11 of 14 players

"We have both depth and experience returning for us this season," said Marryott. "These returning players have all been in big games and know the challenges ahead of us. With so many returnees, I hope we will be able to build upon the foundation of last year's team. This team takes pride in their work ethic and that is directly attributable to the commitment of the returning players to Navy Basketball."

Carly Meyer

### Newcomers

Six newcomers are on the 2006-07 roster

"Our newcomers have really adjusted well to life as plebes," said Marryott. "Our upperclass has done a tremendous job of taking them under their wings and instilling in them what is required to succeed on the Division I level. After they become accustomed to our system I am expecting some quality minutes from a number of them."

### Non-Conference Schedule

Navy plays 10 of its 15 non-conference games on the road. The slate of games includes contests against Marquette, Seton Hall, Georgetown, Air Force, Marshall and Ohio

"This is one of the stronger non-conference schedules we have put together," said Marryott. "We are going to play some terrific basketball programs. We are also going to play against many different styles of basketball. Our aim in scheduling these games is to make sure every aspect of our game is tested and these non-conference contests certainly will challenge us in every way."

### Patriot League Outlook

2006-07 Pre-Season Poll

1. Army, 87 pts., (7 1st pl. votes)
2. Bucknell, 85 (6)
3. Holy Cross, 85 (3)
4. Lehigh, 48
5. American, 47
6. Navy, 42
7. Colgate, 35
8. Lafayette, 19

"As always, every Patriot League game is going to be a challenge," said Marryott. "As I look at the league, I anticipate a close race for the title without a great deal of separation between the eight teams. I know for us to succeed we had better be prepared and playing our best basketball come January because of the talent and coaching throughout the league. We are eager to compete for the championship."

Betsy Burnett

**Offense**

**Navy's 2005-06 overall offensive statistics ...**  
 66.0 ppg, 41.5% FG, 37.0% 3-FG, 70.9% FT,  
 10.4 off. reb., 15.4 ast., 19.2 turn.

"We have really shot the ball well from the perimeter over the last two years and a lot of that has to do with the presence of our inside players," said Marryott. "Again this year our focus will be to establish our inside game offensively. We should have a nice blend of scoring between our backcourt and the frontcourt. Ideally if we can keep that balance we will be a tough team to defend."

**Defense**

**Navy's 2005-06 overall defensive statistics ...**  
 67.8 ppg, 39.5% FG, 30.8% 3-FG,  
 28.4 def. reb., 15.1 turn., 2.3 blocks, 5.8 steals

"We will again be primarily a man-to-man defensive team," said Marryott. "I am encouraged by our aggressiveness and our defensive attitude. Clearly opponents will dictate a lot of our defensive philosophy from game to game, but I can tell you we will be attacking and trying to dictate the game from the defensive side of the ball. We have the depth, mentality and athleticism to do that."

**Backcourt**

**Returning Players (2005-06 Averages)**

- Emily Cordle ... 2.2 ppg, 1.0 rpg, 0.4 apg
- Ali Currier ... 1.4 ppg, 0.9 rpg, 0.7 apg
- Whitney Davidson ... 0.8 ppg, 0.3 rpg, 0.3 apg
- Margaret Knap ... 5.1 ppg, 3.3 rpg, 0.9 apg
- Kalen Kropa ... 3.0 ppg, 1.5 rpg, 1.5 apg
- Emily Lyren ... 0.0 ppg, 0.0 rpg, 0.4 apg
- Carly Meyer ... 12.0 ppg, 7.0 rpg, 1.3 apg

**Newcomers**

- Candice Canace
- Kristin Bowen

"Carly and Margaret are both very versatile players," said Marryott. "Not only do they have proven three-point range, but also the size and athleticism to score inside and off the dribble. They both have great scorers mentalities.

"Kalen played very well last season not only at her primary point guard position, but also on the wing. She is ready to step up into an even more prominent role this year. Ali will again be counted on for her leadership, aggressiveness and defense.

"Although Emily Cordle, Emily Lyren and Whitney played sparingly last season, all of them proved their ability to us. I expect each one of them to continue their development and receive more minutes this season."

**Frontcourt**

**Returning Players (2005-06 Averages)**

- Betsy Burnett ... 9.6 ppg, 5.4 rpg, 2.0 apg
- Lindi Conner ... 3.3 ppg, 2.5 rpg, 0.9 apg
- Kate Hobbs ... 8.8 ppg, 5.2 rpg, 1.6 apg
- Lauren Nelson ... 2.9 ppg, 1.9 rpg, 0.2 apg

**Newcomers**

- Kelly Altschul
- Morgan Hill
- Sarah Simmler
- Amanda Taylor

"Both Kate and Betsy proved last year they are two of the top post players in the Patriot League," said Marryott. "They both bring us a tremendous amount of consistency on each end of the court. We are going to need some of our younger players to step up to the challenge to play with that same level of consistency."
