2008 Navy Midshipmen Women's Lacrosse

Page 7 • Navy vs. American • April 25, 2008

HEAD COACH CINDY TIMCHAL

• When Navy athletic director Chet Gladchuk opened the search for Navy's first women's lacrosse coach, he made it very clear from the start that he wanted the very best. And when Cindy Timchal was named to take over the fledgling program, Gladchuk had accomplished his goal.

• Timchal was named Navy's first women's lacrosse coach on August 5, 2006, and will start from scratch at Navy. Almost two months before being named Navy's coach, the Naval Academy Athletic Association announced that the Mids would become a full-fledged varsity program in 2008, while playing a club / varsity schedule in 2007.

• All Timchal did last year was set the foundation for a Navy program that will move quickly in its quest to become a NCAA Division I power. The Mids placed second at the USL / WDIA National Tournament, won a game against a Division I team for the first time ever and gave a glimpse into the bright future of the Navy women's lacrosse program.

• Timchal came to Navy as without a doubt, the most-accomplished women's lacrosse coach in the sport's history, ranking second all-time (first in Division I) in wins and her eight national titles are the fourth most by a coach in a women's sport in NCAA history, and the 25th most in all sports, men and women combined.
