2009 Regionals and Frozen Four Broadcast Protocol (Time Between Games):

- 1) 3 hours and 30 minutes between games.
- 2) List and promote a hard start time for Semifinal #2 as we will NOT start game before its originally scheduled time.
- 3) If Semifinal #1 runs extremely long, 43 min. between games after new ice has been made (approx. 6 min. with 2 Zambonis) - 49/50 min. total between games.
