STATE BASKETBALL

NC State University, in conjunction with the PNC Arena, recognizes it should be accessible as defined by the Americans with Disabilities Act (ADA) of 1990. It is because of the ADA Amendments Act (ADAAA), and the Revised ADA TITLE II and TITLE III Regulations (part 2), that changes are being made in ticketing. These laws protect persons with disabilities, and we continue to make every effort to comply with state and federal accessibility regulations and make reasonable accommodations for our guests.

Accessible seating is available through season tickets and mini plans. Accessible seating is available in all of our arenas, stadiums, and competition venues. All seats will be allocated based upon the Wolfpack Club priority points system, then by date of sale. For information on accessible seating, please contact 919-865-1510 or fill out your paper application, and indicate on the back of the order form that accessible seating is needed.

Group outings are available for your company, church, civic group, school team, or any other kind of group. Group ticket packages are available for groups of 15 or more.

To inquire about group ticket availability, go to GoPack.com/grouptickets.

For more information on the benefits of the Ticket Scanning system, please contact the NC State Ticket Office at 919-865-1510. Wolfpack fans can also log in to their online ticketing account at GoPack.com using their email address or account number and their personally selected password.

Gottfried has now won more games in his first two seasons with the Pack (48) than any coach in school history with the exception of Everett Case (55) in 1947 and 1948.

“No one is going to step aside and allow us to easily meet our goals. We’ll have to work hard but we’ll also have to work smart. Winning hard just isn’t enough anymore. We can become what we believe we can become. If we rally the Wolfpack family, lock arms as a collective force, and move forward ... we can reach these challenging goals.

Wolfpack Unlimited - Refusing to accept the status quo.”
