

# NOTRE DAME STUDENT TICKET EXCHANGE

Notre Dame Undergraduate Student Government and the Graduate Student Union are introducing a modified student ticket exchange for the 2008 football season.

## WINNING LOTTERY NUMBERS – Syracuse

- It will be available to Notre Dame students only – undergraduate and graduate.
  - Note: There are a limited number of Notre Dame students who are not eligible to participate in the student ticket exchange, due to special purchase circumstance.
  
- Similar to the away and bowl game lotteries, a lottery will be conducted for the opportunity to exchange the game ticket in your student booklet for a non-student ticket (the same location as printed on your student booklet).
- A maximum of 100 exchange tickets will be issued per game.
- A maximum of 1 ticket exchange in a season per student.
- Notre Dame student organizations will oversee the lottery for each of the six home games (Student Government, Student Union Board, Senior Class Council, Junior Class Council, Sophomore Class Council, and the Graduate Student Union)
- The Athletic Ticket Office will oversee the payment and physical exchange of the student booklet /exchange.
- The student ticket exchange program was created with the intent to accommodate students with family or career obligations who could not attend the game and to accommodate students who had a family member or friend in town who was interested in attending the game. We ask for your cooperation in maintaining the integrity of the “student” section and ensuring a positive environment for all. You are responsible for the behavior and actions of the person using your exchange ticket.
- Tickets may not be sold above face value or be in violation of University policy.
  - du Lac states: “If a student is found to have sold his/her season ticket booklet, or individual game (exchange) tickets, for an amount greater than the face value of the tickets, or have sold his/her tickets to a ticket broker/agency who in turn resells the tickets for an amount greater than face value, he/she will lose his/her ticket privileges for a minimum period of one (1) year and reimburse the University for the amount greater than face value. The student may face additional disciplinary action. Repeat offenders will be subject to stricter penalties up to and including permanent revocation.”
