Honor Winners

Don't forget. As we have for the past several years, all former football players are invited back to campus to help us form the tunnel for the current players to run through at the first home game vs. Michigan on September 11. This is always a great event so please mark your calendars. We will send additional information in August.

We have chosen the Pittsburgh game, on November 13th, as the game to honor all former Monogram winners. The event will feature a pre-game reception at the Joyce Center. All athletes are encouraged to wear their Monogram jackets. Prior to the game we will form a tunnel on the field for the current team to pass through. We will mail further instructions in the near future.

Mark your calendars! We will have the golf outing prior to our annual meeting in June. Also, a Mass for all deceased club members will be held before the evening meeting. We will then have dinner in the Joyce Center. This event is always a lot of fun and has grown dramatically over the past several years. Please join us this year.
