

Notre Dame MEDIA INFORMATION

To Members of the Media

Press Box

The expansion and renovation of Notre Dame Stadium, completed in 1997, included the building of the Jim and Marilyn Fitzgerald Family Sports and Communications Center. The press box has three levels plus a photo deck. The first level is the working press level and seats 330 media members while the second level is the television and radio broadcasting level and also houses other stadium services and the third level is for University purposes.

Admission to the press box is on the west side of the stadium in between Entrances D and E. All press personnel will be searched upon entering Notre Dame Stadium.

Credentials

All requests for working press, photo and broadcast credentials for Notre Dame's 2005 home football games should be made in writing on company letterhead at least two weeks prior to the game in question. Direct all requests to John Heisler, Senior Associate Athletic Director, University of Notre Dame, C112, Joyce Center, Notre Dame, IN 46556. All credentials which cannot be mailed are left at the press will call site. The press will call site for Notre Dame Stadium is at the press box elevator on the west side of the stadium in between Entrances D and E. **All members of the media will have to provide photo identification and the name must match the name on the credential.**

Because of the demand for credentials and the limited space available, media agencies covering the visiting school on a regular basis receive top priority. All other credentials for print media are issued on the basis of circulation. Only local radio stations with a full-time sports director conducting a daily sports show receive consideration for credentials. Non-originating, out-of-town radio stations cannot be accommodated.

Radio/TV

The Westwood One Radio Network owns the radio rights to Notre Dame football games. Visiting stations planning to originate from Notre Dame Stadium are issued credentials by John Heisler following written confirmation of approval for the broadcast. Broadcast lines should be ordered through Carolyn Rush in the University Telecommunications office at 574-631-6014.

The rights for live telecasts of Notre Dame home football games through 2010 belong to NBC Sports. Visiting stations should coordinate any and all television plans through Doug Walker or Alan Wasielewski. Television stations planning coverage for news broadcasts are issued credentials following written approval for any filming and/or videotaping.

Statistical Services

Prior to kickoff, all media members will be provided with a game program, updated game notes from both teams, a flip card and a records supplement to the media guide. Last minute lineup changes, weather conditions and other information will be relayed through the internal public address system.

During the game, media members will be provided with a running play-by-play, while at halftime, quickie stats and drive charts will be distributed. Following the game, a complete post-game statistics package will be available in the press box and will contain a scoring summary, final team statistics, final individual statistics, complete play by play, drive charts for both halves, halftime statistics, defensive statistics, substitution chart, post-game quotes from both head coaches and players and post-game notes.

Internet Access

The Jim and Marilyn Fitzgerald Family Sports and Communications Center was one of the first press boxes in the country to be able to provide access to the Internet to the media at their individual seats. To take advantage of this, please call the Office of Information Technologies at (574) 631-8022. The Notre Dame press box is a wireless internet facility.

Fax Services

Following each Notre Dame home game, the sports information office will be happy to fax whatever information media members need to their respective agencies. Please ask any member of the sports information staff for assistance on this matter.

Visit www.und.com

All Notre Dame football information is available to the media on the Internet at www.und.com.

Photographers

Credentials for sideline photographers will be issued on the basis of circulation, with priority granted to agencies covering the participating schools on a regular basis.

All photographers must pick up armbands necessary for admittance to the sideline area at the press will call window at Notre Dame Stadium. The press will call site for Notre Dame Stadium is at the press box elevator on the west side of the stadium in between Entrances D and E. **All members of the media will have to provide photo identification and the name must match the name on the credential.** Flip cards and game programs also will be available for photographers at that time. Photographers are not permitted inside the 30-yard lines and must remain outside the restraining lines surrounding the field.

Telephones

An adequate number of telephones (approximately 30) are available in the Notre Dame Stadium press box for general use by visiting writers. Credential requests should indicate interest in the use of these phones – with all coordination handled by Alan Wasielewski. Personal phones can be ordered at individual seats by contacting Carolyn Rush in the University Telecommunications office at (574) 631-6014.

Press Hospitality

Food and refreshments are served throughout the game in the Notre Dame Stadium press box.

Irish Sports Hotline

Results, schedules and information on all Notre Dame teams are available on the Irish Sports hotline, which can be reached at (574) 631-3000.

Hotel Rooms

Hotel and motel rooms are booked far in advance of Notre Dame home football weekends. The Notre Dame sports information office has a limited number of rooms set aside at local hotels for accredited media representatives. Arrangements should be made through sports information administrative assistant Susan McGonigal at (574) 631-7516. All hotels in the South Bend area require a two-night stay (Fri. and Sat.) during Notre Dame home football weekends and a valid credit card is required for reservations made through the Notre Dame sports information office. Media members are responsible for their own lodging when Notre Dame is on the road. Rooms reserved by Notre Dame on the road at its headquarters hotel fulfill only the needs of administrators, coaches and players.

Game Day Interviews

Post-game interviews at Notre Dame Stadium are held in an auditorium outside the rear entrance of the Irish locker room. Both head coaches appear in the interview room following the game. Audio and video from those interviews is piped live into the press box for media on deadline. Television and radio crews can receive audio through a mixer in the auditorium. All Notre Dame player interviews will also take place in the auditorium once the coaches are finished. **Please turn in all requests for players and coaches' interviews by the eight-minute mark of the fourth quarter to Doug Walker, who is sitting in the fourth row.** Typed post-game quotes from the head coach and players of both teams also are available in the press box following the game.

Mid-Week Interviews

Interviews with Notre Dame players and coaches will only take place on Monday-Wednesday during the week. All interviews should be arranged through the Notre Dame sports information office by calling Doug Walker or Alan Wasielewski. **A reminder: Media members are not allowed to call players in their dormitory rooms at any time, or talk to players on Sundays, Thursdays or Fridays.**

Selected players will be available each Tuesday at a time to be determined. A schedule of that availability will be produced by the Sports Information Office each Sunday during the football season. Players who are made available in this manner will not be available for interviews at any other time that week.

Coach Charlie Weis conducts a weekly teleconference-style press conference each Tuesday at 11:00 a.m. EST at the WNDU-TV studios for the benefit of both local and out-of-town media. The hour-long weekly conference is distributed via satellite and also includes five minutes of video highlights from the previous week's game.

A light lunch will also be served on Tuesdays.

Interview Transcriptions

Transcriptions of the Tuesday teleconference with Charlie Weis are available through the Internet at www.und.com.

Directions to Notre Dame Stadium

From O'Hare Airport: Take Route 190 east out of O'Hare to Route 90 east (Kennedy Expressway) toward downtown Chicago. Merges with Route 94 south (Dan Ryan Expressway). Does Anybody Know What Time It Is?

South Bend never changes its clocks, remaining on Eastern Standard Time all year round. From April through the end of October, Notre Dame basically is on Central time since Eastern Standard Time is the equivalent of Central Daylight time. When most of the rest of the country returns to Standard time the last Saturday in October, Notre Dame then matches Eastern Time until April. The key point to remember is that if you are trying to access the weekly teleconference, the time of day may change for you, even though it does not change in South Bend.

Among the all-star players he promoted at Miami were Heisman Trophy finalists Ken Dorsey and Willis McGahee, along with 2003 All-Americans Kellen Winslow II at tight end, Jonathan Vilma at linebacker and defensive back Sean Taylor. Among the major postseason award winners with whom he worked were Winslow (2003 Mackey Award), offensive tackle Bryant McKinnie (2001 Outland), Dorsey (2001 Maxwell), middle linebacker Dan Morgan (2000 Nagurski, Butkus and Bednarik) and center Brett Romberg (2002 Rimington).

Walker served as assistant director of athletic media relations at TCU in 1998 and was promoted to associate director in 1999, working with men's basketball, and men's and women's track and field and cross country. He served as editor of Maroon & White Report, a Texas A&M publication, from 1995 until moving to TCU.

A 1989 graduate of Texas A&M with a bachelor of science degree in Journalism, Walker spent 1989-90 as a graduate assistant in the A&M sports information office, 1990-91 as a staff assistant with the Florida SID department, then served two years as assistant media relations director for the Southwest Conference from 1991-93. He spent two more years at Texas A&M from 1993-95 as sports information special projects assistant and editor of the A&M Sports Hotline.

Among the international events he has worked are the 1994 Winter Olympic Games in Lillehammer, Norway; the 1994 Paralympic Winter Games in Lillehammer; and the 1995 Pan-American Games in Mar del Plata, Argentina.
