

All-Time Roster

Following are the names of all 2,560 Notre Dame football players who have played at least one second in at least one regular-season varsity game. The player's position and hometown is listed, along with the season the player participated in a game and his uniform number. Notre Dame began wearing uniform numbers in 1921. When a number is not listed for a player after 1921, the number is unknown. When a player had more than one number during his career, the senior year number is listed. For additional information on a particular player (height, weight, monograms won) refer to the All-Time Lineups.
