Irish Hockey on WDND ESPN Radio 1580

Notre Dame hockey games will be broadcast during the 2005-06 season by WDND South Bend's **ESPN Radio 1580**, with live internet broadcasts also available via the Notre Dame Athletic Department's official website (www.und.com).

Back for his fourth season behind the microphone is the voice of Notre Dame hockey, Mike Lockert. A Los Angeles native, Lockert has worked the past three seasons as the public relations director and the voice of the South Bend Silverhawks, a Class-A affiliate of the Arizona Diamondbacks.

Lockert's energetic style brings out the excitement of Irish hockey every weekend home and away.

The voice of the Irish earned his hockey broadcasting start during 1999-2000 season as the play-by-play man for the Huntington Blizzard of the East Coast Hockey League (ECHL).

Prior to joining the Silverhawks in 2002, Lockert worked as a national talk show host on the Cable Radio Network.

He also has hosted several radio shows in his hometown of Los Angeles and has served as host for UCLA pre-and post-game shows and the Los Angeles Clippers halftime show.

Lockert attended California State University - Los Angeles, where he majored in broadcast communications. He resides in South Bend.

New CCHA Playoff Format For 2005-06

The CCHA will put a new playoff format into effect for the 2005-06 season that will include two best-of-three rounds. In the first round, the top four teams draw a bye while the remaining eight teams will play based on regular season finish (12 vs. 5, 11 vs. 6, 10 vs. 7 and 9 vs. 8) with the higher seeds hosting. In the second round, the top four seeds will then host the four first round winners in a best-of-three series with the four winners advancing to Joe Louis Arena for the CCHA Championship.

On Friday, March 17, the semifinal games will be played at "the Joe" followed by the third-place and championship games on Saturday, March 18.

Championship weekend will kick off on Thursday, March 16, at the historic Fox Theatre in downtown Detroit.

2005 NCAA Ice Hockey Rules Points of Emphasis

Overall Rules Enforcement – The committee was pleased overall with the effect of last season's focus on proper rules enforcement. It remains the responsibility of coaches, players, officials and administrators to support this initiative. In addition to last year's focal points, the committee points attention to the following two areas:

Diving – An unintended result of the rules initiative was an increase in diving. A player shall not attempt to draw a penalty through any exaggerated or deceitful action.

Strength – A player should not be penalized in a contact situation solely because of their size or strength.

Hitting From Behind – This dangerous act continues to be an area of concern to the committee. Any hit from behind must be penalized without exception and regardless of the severity of the hit. Boarding and charging penalties were redefined by the committee to distinguish from hitting from behind.

Goalkeeper Interference – The committee voted to alter the rule regarding the crease. However, this should not be construed as a lessening on the protections allowed the goalkeeper. Anytime an opposing player prevents the goalkeeper from preventing a goal, interference must be called.

Freezing the Puck – The committee also points to Rule 4-7-e, which refers to the privileges of the goalkeeper. The committee feels there are too many unnecessary whistles in situations where the goalkeeper freezes the puck illegally and added several approved rulings to assist officials and players with this rule.
