2012 Big East Regular Season Champion
Welcome to Notre Dame.

You will hear those words frequently as you visit our campus – and they accurately reflect the spirit and attitude of the Notre Dame community.

As you visit our facilities and meet the people here, you will quickly recognize the collective commitment to excellence. Coaches, teachers and the students who live, work and play here share a common goal – to provide the best collegiate experience possible. The values that have forever been associated with a Notre Dame education will be apparent in every building you visit and in every person you meet.

Our staff will especially look forward to spending time with you. Finding the right people is as important to us as finding the best players. The key people around our program, from the Coaching Staff, Academic Services and Strength and Conditioning, up to and including our players, will meet with you during your visit to help you appreciate the culture and values that define our program. We hope your time with us will provide the important insight into what we do, and how we do it, that you may need to help you make your decision.

Thank you for visiting, we’re glad you are here.

Go Irish!

About Your Unofficial Visit To Notre Dame
The ideal unofficial visit lasts two days, including a one-night stay. Some elements of your visit will include meetings with the coaching staff, strength & conditioning coach, and our academic advisor. Depending upon the timing of your visit, you may also have the opportunity to see a lacrosse practice, attend an athletic event, spend some time with the team, and attend a class.

Some Important Items Regarding Your Unofficial Visit
• Prior to your visit, we will need your travel itinerary and the names of everyone in your travel party.
• We will send you an individual unofficial visit itinerary a few days before your visit.
• Per NCAA rules, we are not permitted to provide you anything while you are on campus for an unofficial visit other than three complimentary tickets to an athletic event issued through a pass list.
• Schedule permitting, we will make every effort to have you stay one night in the dorms with a member of our lacrosse team.
• Please bring any up-dated video (game/highlight), a revised or up-dated transcripts, your current class schedule, as well as a projected junior/senior class schedule (if available).

Airport & Travel Information
• Airport selection is a function of cost, time and personal schedule. The Chicago-area airports (O’Hare & Midway) are roughly 1.5 hours from the Notre Dame campus. Midway is a Southwest Airlines hub.
• The South Bend airport is located 10 minutes from campus and is serviced by Northwest, Continental and United.
• The Chicago-area airports are on Central time, but South Bend is on Eastern time. Therefore, you will lose an hour when traveling East from Chicago to Notre Dame.
• The following pages include directions to campus and some information on local hotels.
• The hotel links can provide insight regarding rates and availability on football weekends.

Unofficial Visits On Football Weekends
• GAME TICKETS - We will be able to reserve up to three tickets for the football game (one for you and one for each of your parents/guardians). The ticket office will not issue hard tickets, but will have your name on a pass list. In order to receive tickets, each person on the pass list will be asked to show ID.

• FOOTBALL GAME PARKING - Parking is a challenge on football game days. There are several pay lots in which you can pay to park, but your best option is to park along the south side of campus on local streets. Following the directions below, continue down Angela to Twyckenham, then make a right or left to hit local streets. Please see the “stars” on the map on page 9 for suggested paid parking areas in the neighborhoods adjacent to campus.
