CAMP STAFF:

Kris Ganeff (formerly McCleary) graduated from the University of Notre Dame in 1999 with a degree in History. Ganeff was drafted by the Virginia Roadsters of the Women's Professional Softball League following her Notre Dame career in '99, but the former Irish MVP and team captain chose to continue her softball career as an assistant coach at UNLV in 2000 and 2001. She completed her Notre Dame playing career by earning all-BIG EAST and all-Mideast Region honors in 1999.

Lizzy Lemire graduated from the University of Notre Dame in 2001 with a degree in Sociology and CAPP. Upon graduation, Lemire was selected to the United States National Team. The former Big East Player of the Year and team captain received her Masters in Sports Management from the University of Massachusetts in 2003.

Deanna Gumpf

DEANNA GUMPF is entering her fifth year as Head Softball Coach with the Notre Dame Softball Team. The 2002 season began Gumpf's head coaching era, after serving the previous four years as Associate Head Coach and top Assistant Coach for the Irish.

In her four years at Notre Dame, Gumpf coached the Irish to an overall record of 177-69. Under her tenure the Irish have won four Big East Regular Season Titles, two Big East Championships, and have made it to the NCAA Tournament all four years. Twice, Gumpf and her staff have been named the Big East Coaching Staff

of the Year and the Midwest Coaching Staff of the Year. In 2005, the Irish made history by receiving the host bid for the NCAA Regional Tournament at Ivy Softball Field. For the sixth year in a row the Irish finished in the Top 25 in the Nation.

Gumpf has served as Pitching Coach for Long Beach State University and a private pitching instructor. The La Palma, California native starred at Nebraska from 1989-92. Before playing at Nebraska, her club team, the Gordon's Panthers, won four straight national championships from 1982-85 and were runners-up in 1987 and 1988.

Pitchers will hear about the fundamentals and techniques of pitching. Gumpf will also demonstrate each technique. Pitchers will divide into small groups - receiving individual instructions from Gumpf, staff and Notre Dame players.

Irish players will be instructors at this summer's camp.

In consideration of my child's acceptance in the Notre Dame Summer Girls Softball Camp, I, individually and on behalf of my minor child, do hereby release and forever discharge the University of Notre Dame du Lac and its officers, trustees, employees, contractors and representatives from all liability of any kind for any claim, demand, action, cause of action, damage, judgment, cost or expense which arises out of, occurs during or relates in any manner to my child's participation in the aforementioned summer camp or any travel incident thereto. In the event of an accident, injury (including death), illness or other damage sustained by my child while traveling to or from, or during his or her attendance at, the Notre Dame Summer Sports Camp(s). I understand and hereby acknowledge that my only remedy and my child's only remedy will be the coverage, if any, provided by the medical insurance policy covering participants in the Notre Dame Summer Sports Camps as explained in this brochure and set forth in the insurance policy. I hereby grant permission to the staff and physicians of the University of Notre Dame and any other medical provider or surgical consultant deemed advisable by Notre Dame, and any hospital or similar facility, to render to the above-named camper any medical, surgical or other treatment that they deem necessary. I understand that the University will exercise its best efforts to inform me in the event of such treatment.

I also understand and acknowledge by my signature below that the University of Notre Dame does not have the medical staff or resources available during summer camps to store or administer prescription or non-prescription medications for my child. I have decided as the child's parent or legal guardian that my son or daughter is capable of taking his or her own medication(s) throughout his or her stay at Notre Dame, or that one of my child's parents or his or her legal guardian will be personally present and available to administer the medication to my child throughout the camp. I know that Notre Dame staff will not store or administer medications, prescription or non-prescription, for my child during the camp. If I decide that my child can take his or her own medication during camp, I will make arrangements, as needed, to remind my child to take his or her medication. If my child possesses any medications (prescription or non-prescription) during camp, I understand that it will be my child's sole responsibility to safeguard and self-administer the medication at all times.
